If you are reading *The Elements of Style* for an academic course or to improve your writing, this companion workbook can help you to memorize and self-test your knowledge of basic English grammar rules. This workbook is designed for readers of the three most popular versions of William Strunk's grammar classic *The Elements of Style*. It can be used by readers of Strunk's original work now in the public domain, the Strunk and White editions by E. B. White, and *The Elements of Style* 2018 Classic Edition. In addition, readers of other grammar books and ESL/EFL learners may find this workbook useful for learning the core rules of English grammar. Learning grammar may seem like a boring task, but it is a must for students who wish to do well in their courses and for writers who want to improve their grammar and style. This workbook presents a series of 27 quizzes with 626 questions, multiple-choice answers, and a convenient scoring key. Some quizzes drill on grammar rules covered in all versions of *The Elements of Style*, and others are keyed to a specific edition. To derive maximum benefit from this workbook, it is suggested that you complete a few quizzes each day. Take note of your correct and incorrect answers to reinforce the underlying grammar rules. Be sure that you have a firm grasp of each rule before going on to the next quiz. You will know that you are ready to proceed when you have answered all the questions on a quiz correctly. Used in classrooms across America and around the world, *The Elements of Style* has helped generations of students and writers learn to write grammatically correct prose. Whether you are taking a course for which Strunk's book is required reading or you are a writer looking to polish your style, this workbook can help you to learn English grammar rules and use that knowledge to make all your writing exemplary.
