Game Change LP John Heilemann, Mark Halperin, 2010-01-26 In *Game Change* John Heilemann and Mark Halperin two of the country's leading political reporters use their unrivaled access to pull back the curtain on the Obama Clinton McCain and Palin campaigns Based on hundreds of interviews with the people who lived the story *Game Change* is a reportorial tour de force that reads like a fast paced novel Character driven and dialogue rich replete with extravagantly detailed scenes it's an intimate portrait of some of the most powerful and fascinating figures in American life the occasionally shocking often hilarious ultimately definitive account of the campaign of a lifetime **Sarah Palin** Michael V. Sarah Palin Nel Yomtov, 2011-07 In 2008 Sarah Palin took the presidential campaign by storm As the Republican vice presidential candidate she went from being a little known Alaskan governor to a national political powerhouse With raw grit and determination this self proclaimed hockey mom launched herself into the national spotlight Join Palin as she fires up supporters and takes on the opposition during the 2008 campaign and beyond **The Lies of Sarah Palin** Geoffrey Dunn, 2011-05-10 In *The Lies of Sarah Palin* Geoffrey Dunn provides the first full scale and in depth political biography of the controversial Republican vice presidential candidate and former governor of Alaska Based on more than two hundred interviews many of them with Republican colleagues and one time political allies of Palin's and more than forty thousand pages of uncovered documents Dunn chronicles Palin's troubling penchant for duplicity in grim detail from her dysfunctional childhood in Wasilla through her contentious run for mayor and her failed governorship of Alaska He also provides the shocking inside story of her betrayal of running mate John McCain during the 2008 presidential campaign and her self

serving resignation as governor in July of the following year Dunn deftly places Palin in the American tradition of right wing demagogues from Huey Long to Joe McCarthy and details her troubling obsession with Barack Obama as it fuels her own political ambitions and a potential run for the presidency in 2012 The Lies of Sarah Palin is a journalistic tour de force that vividly reveals the Queen of the Tea Party movement as a vengeful and manipulative empress without clothes This is the definitive book on Sarah Palin

The Biopic and Beyond Melanie Piper, 2022-07-14 Biopics and other movies and television shows based on real events are increasingly appearing at the multiplex and on streaming platforms alongside blockbuster franchises and adaptations The appeal of movies and television shows based on true stories is that they claim to tell us what really happened with the public and private versions of events packaged into one coherent narrative But how do they do it and what makes this version of events so appealing The Biopic and Beyond investigates the process that turns the distant public figures that populate news and entertainment into screen characters that we can engage with and try to understand a little better Even though they aren't the real thing our engagement with fictionalized versions of public figures can for better or worse color the way we understand the real person behind them Screen engagement with the fake person behind the real person doesn't only happen in biopics and docudramas with media as varied as sketch comedy fan fiction and the celebrity cameo contributing to the ways we understand public figures Using case studies such as Mark Zuckerberg and The Social Network Sarah Palin and Saturday Night Live and Louis C K and Louie The Biopic and Beyond will make you think about the way you see the world through a fictionalized version of it
