*A Promise is Forever* Denise Robins, 2014-11-06 Fern Barrett is a girl of high principles, and such people are born to be tested. When she and her husband Terry are forced by circumstances to take employment as servants in the household of powerful financier Quentin Dorey, a bachelor, her trials begin. Terry becomes increasingly self-centred and feckless, while Fern finds herself more and more attracted by the charm and sympathy of her employer. She also incurs the hatred of Quentin's embittered mother, who has guessed something about the girl's background which Fern is desperate to conceal. What is Fern to do? Because of her, alas, a promise is forever.

*French Letters* George East, 1999-06-01 George East is by far one of the funniest story tellers and raconteurs on the planet today, and the third book in the best-selling MILL OF THE FLEA series, continuing the often farcical and always entertaining adventures of the author and his wife as they attempt to make a new life in rural France. Totally unlike any other book in the genre, FRENCH LETTERS takes the reader on another visit to a remote area of Normandy where time is of little value, and reluctant tractors and their drivers are kick-started on frosty mornings with a tot of moonshine apple brandy. During another eventful year at the Mill of the Flea, the author and his wife once again encounter

a host of improbable characters and situations like the vegetarian couple who set up home next to a veal farm and an elderly post mistress who grows highly illegal pot plants while enticing a colony of hornets to set up home in her attic

ReviewsGeorge s tremendous love of life shows in all the couple s exploits as does Donella s affection for George and her animals shared fifty fifty one surmises There s a lot of wisdom in this book or a lot of sound sense if you prefer it I just wish he could write them a bit quicker R Roller JCBJust read French Letters what fun George East s first book Home and Dry in France was my first encounter with this hilarious author His second book Rene and Me confirmed his genius and I didn t think he could pull off a hat trick but he has French Letters is so funny from a bingo game in Nehou to the Tour de France all the familiar characters are there you must meet the Miserables what a scream I laughed all the way through Encore s il vous plait J Bean NY Whistler

**Africa... Table for One** Tami Loehrs, 2025-07-15 Have you ever experienced a loss so great you felt you couldn't go on How many times did you hear Don't worry time heals all wounds This advice is complete and utter bullshit Time does not pick up pieces of a priceless vase shattered on the floor It just continues to pass until all the delicate fragments are carefully picked up and glued back together That takes excruciating patience focus and tenacity Over time with great effort the vase begins to take shape again But it will never be the same For me time stopped when my husband of twenty years was diagnosed with the deadliest of all brain tumors a Glioblastoma The beautiful life we once knew extinguished in an instant He fought valiantly for two and half years but when he left me forever on March 12 2021 I prayed for an end to my suffering An end to time Six months of trying to drink myself to death with dribs and drabs of over the counter drugs not so over the counter drugs and a diet of microwave hot dogs and Uber Eats proved unsuccessful Until one morning I was ripped from an alcohol induced slumber by the loving arms of my dead husband I heard his words whisper in my ear as though he was still lying next to me go to Africa A place I had dreamed of since I was child A place I talked about endlessly throughout our marriage During my

thirty day expedition the healing powers of Africa began to stitch up the cavernous tears in my mutilated heart The darkness in my soul began illuminating once again And everywhere I went the animals came to me as though they felt my anguish I was putting in the work Picking up all the shattered pieces Accepting the refurbished version of me covered in the scars of a sloppy repair job Learning how to live without the other half of me A Table for One      **Trick or Treat** Lisa
