The Complete Works of C. H. Spurgeon, Volume 2 Spurgeon, Charles, 2015-02-23 Volume 2 Sermons 54 106 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for

most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon The Collected Works of Witness Lee, 1957, volume 2 Witness Lee, The Collected Works of Witness Lee 1957 volume 2 contains messages given by Brother Witness Lee in 1957 Historical information concerning Brother Lee s travels and the content of his ministry in 1957 can be found in the general preface that appears at the beginning of volume 1 in this set The contents of this volume are divided into three sections as follows 1 Fourteen messages given in Taipei Taiwan According to available records some of the messages were given in May These messages were previously published in a book entitled The Testimony and the Ground of the Church and are included in this volume under the same title 2 Fourteen messages given in Taipei Taiwan in September These messages were previously published in a book entitled The Administration of the Church and the Ministry of the Word and are included in this volume under the same title 3 Ten messages given in Taipei Taiwan

Protestant Nonconformist Texts Volume 2 Alan P.F. Sell, David J. Hall, Ian Sellers, 2015-02-05 This book is one of four substantial volumes designed to demonstrate the range of interests of the several Protestant Nonconformist traditions from the time of their Separatist harbingers to the end of the twentieth century In this volume we are concerned with the eighteenth century It was a period in which Old Dissent the Congregationalists Baptists Presbyterians and Quakers had to face challenges from Enlightenment thought on the one hand and Evangelical Revival enthusiasm on the other Largely in their own words though with introductions contributed by the editors we enter into the philosophical world of Isaac Watts Richard Price and others we overhear doctrinal disputes over the doctrine of the Trinity we meet such new arrivals on the religious scene as the Moravians Sandemanians Swedenborgians and Methodists Calvinistic and Arminian We consider the Nonconformists views on the Church the ministry and the sacraments on Church state and society and on Christian nurture piety and church life From philosophical tomes to hymns from sacramental questions to prison reform from the most strait laced Presbyterian to the most enthusiastic Jumper this volume will remind scholars of the intellectual excitements the practical witness and the worship of the eighteenth century Nonconformists
