**The Semiotics of Love** Marcel Danesi,2019-07-30 The Semiotics of Love brings together work on early symbolism literary practices and contemporary communication on the theme of romance and the idea of love to forge an understanding of the semiotic cultural side of romance Moving beyond psychological and neuroscientific scholarly analyses of love Marcel Danesi works to interrogate the cultural constructions of love across societies This book analyzes romantic love from the general perspective of semiotics that is from its more generic interpretive angle rather than its more technical one The specific analytical lens used is based on the notion that we convert our feeling structures into sign structures words symbols and sign based constructions texts rituals etc which then allow us to reflect upon something cognitively rather than just experience it physically and emotionally

**Like Every Form of Love** Padma Viswanathan,2023-08-22 From the Scotiabank Giller Prize finalist a gripping exploration of class race friendship sexuality what an author owes her subject and what it means to be a good person all wrapped up in a riveting Canadian true crime story Padma Viswanathan was staying on a houseboat on Vancouver Island when she struck up a friendship with a warm hearted working class queer man named Phillip Their lives were so different it seemed unlikely to Padma that their relationship would last after she returned to her usual life But that week Phillip told her a story from his childhood that kept them connected for more than twenty years Phillip was the son of a severe abusive man named Harvey a miner farmer and communist After Phillip s mother left the family Harvey advertised for a housekeeper with benefits And so Del the most glamorous and loving of stepmothers stepped into Phillip s life Del had hung out with Fidel Castro and Che Guevara in Mexico City before the Cuban revolution she was also a convicted bank robber who had violated her parole and was suspected in her ex husband s murder Phillip had long since lost track of Del but when Padma said she d like to write about her and about his own young life he eagerly agreed Quickly though Padma s research uncovered hidden truths about these larger than real life characters Watching the effects on Phillip as these secrets evasions and traumas came to light she increasingly feared that when it came to the book or the friendship only one of them would get out of this process alive In this unforgettable memoir Padma reflects on the joys and frictions of this strange journey with grace humour and poetry including original readings of Hans Christian Andersen fairytales and other stories that beautifully echo her characters adventures and her own Like Every Form of Love is that rare thing an irresistible literary page turner that twists and turns delivering powerful revelations right to the very end

**The Victims of Love** Colin Spencer,2015-09-17 First published in 1978 The Victims of Love was the last in a quartet of novels by Colin Spencer concerning the Simpson family and their charged relationships across the generations Now we are in the 1960s as Sundy Simpson attempts a reclusive existence as a single mother and Matthew struggles with the aftermath of a superficially civilised divorce and the continued rage of passion within In a new preface Colin Spencer recalls how he drew inspiration

from his own life and the lives of others intending to be as honest to my experience as I can be to be ruthless in my vision of others as I have been to myself Affecting hilarious and grave the Generation Quartet is a tapestry of unforgettable characters in all their seaminess and sadness their idealism and desires It is a delight to meet them again Sir Huw Weldon **Frank Leslie's Illustrated Newspaper** John Albert Sleicher,1876 Chambers's Journal ,1902 *Punch* ,1896 **McClure's Magazine** ,1928 **"The" Athenaeum** ,1887 **Chambers's Journal of Popular Literature, Science and Arts** ,1902
