3. COURSE DESIGN

These Guidelines contain ideas for a course of approximately 45 hours. It could be delivered in extensive mode (15 weeks x 3 or 30 weeks x 1.5 etc) or as an intensive module.

3.2 Course Structure

At the end of an ILEC Preparation course, the learners should be able to:

- understand and use legal concepts and terminology in English;
- use a range of reading skills to understand different types of texts on legal topics;
- write clear, well-structured letters and memoranda in a range of legal contexts;
- understand conversations, discussions, interviews etc on legal topics;
- participate effectively in discussions on legal topics and issues related to working in this field;
- perform well in examination tasks specific to ILEC, and have a good grasp of appropriate examination techniques.

Each session includes:

- work on legal concepts and terminology i.e. introducing new language in context, working with texts or listening material;
- language skills development i.e. practising the use of new and familiar language in reading texts, written tasks and speaking situations;
- examination focus : working on an examination-specific skill or task;
- some suggested follow-up work.

Each numbered session contains approximately 3 hours' work. The outline is intended as an indication – not a fixed programme - of how ILEC topics might be covered and how authentic and teaching materials might be combined to cover the skills required in the examination.
