Henrietha Joyce M. Johnson, 2016-11-01 Ruthie often traveled on the subway with her best friend Jem from the church where they attend often She told me that the pastor had brainwashed her When the abused came to light to her pastor he called her stepfather and setup a counsel session for him but not for Ruthie Often times Ruthie traveled on the subway with her friend Jem and they discussed their abuses as Jem was abused also They share many interests in life Ruthie said thoughts of jumping across the train tracks often crossed her mind Jem talked her down at times One night she came home and had me cornered in my bedroom with her eyes blazing with fire as she sat me on the bed and yelled at me Why didn t you come over to my house and save me from the abuse I was waiting for someone to save me I can still smell the scent of Jason on me Night after night and Sunday after Sunday when he came home from church he had me as his sex slave Grandma you said you felt in your mind something was not right so why didn t you come and kick the door down and find out what was going on But my dear I did call the Children s Aid I told them what you said that you were sleeping in the closet at one time and they came and visited They called me and told me all was good in the home There was nothing else I could have done She left that night with her friend and three days later I heard from her that she is in British Colombia They took the bus She said if she hadn t left the province she would have jumped the subway track As you know Joanna there is a finished rooftop on my building Many times whenever Ruthie comes home she would go to the rooftop even before she goes to bed She said she finds peace and comfort there She felt like God was up there waiting to talk and comfort her Is domestic work really for black women It seems that way Whenever some white person or others meet you and talk about work it seems they are waiting for you to say that this is the job you are doing

Adessio,2012-06-07 This book THE MEROLA S is the story of my ancestors including both my maternal and paternal grandparents and their voyage to America on the same ship It provides current and future generations of our family with both the Petrizzi and the Merola Family Trees It also gives a little information about the Adessio family It covers seven generations of my family contains little snippets of their life and many photographs and documents of the families through the ages It includes an illustration of the S S Neustria on which they traveled fromItaly toAmerica highlighting part of the ship s manifest The book contains photographs fromItaly and theUnited States over a period of nearly one hundred twenty five years from 1890 to 2012 My maternal grandfather and his two cousins arrived in America in 1886 They found the streets were not paved in gold but they could earn a good living and support a family here After two years they returned to Italyto find wives and came back to America in 1890 with their new brides This book is their story I had for many years wanted to create a family tree for the young people in the family many of whom live out of state those who as you spoke to them usually said Who are you speaking

about Are they related and if so how are they related I created an extensive Family Tree I went back seven generations beginning in Italy and culmination in the United States I decided that I wanted to tell the young people a little bit about their ancestors so I included mini biographies of my grandparents aunts and uncles and some of my cousins who are no longer with us I also included some short stories about them At this point I decided the younger members of the family now knew where they fitted in the family and a little bit about their relative s lives but they couldn t visualize what these people looked like so I included photographs of these ancestors I was able to collaborate with two of my cousins I wrote the bios of the relatives and e mailed them to these cousins and my sister for their clarification of what I had written I had copies of documents and many photos of the family which I included I then called my sister making her crazy saying Momma had a photograph of so and so and it looked like this see if you can find it and mail it to me She always did The information in this book was not obtained using Ancestry com which is not the most reliable source rather the stories and facts were handed down to us by our aunts and uncles over the years and as we recalled some of our experiences growing up It depicts the life of a family of Italian immigrants their pursuit of citizenship the hardships and the challenges they faced In reading the book you can see how times and concepts change as well as the struggles of our ancestors and how they handled adversity and dealt with any obstacles they encountered It shows how with perseverance and determination they prospered and became valued citizens These people my relatives became doctors lawyers a District Attorney clothing designers pharmacists CPAs and a U N Representative to name a few There were also many teachers bookkeepers business owners and managers builders architects photo engravers and engineers It took me about two years to complete this project and deal with a publisher but I finally achieved my goal I had my book published purchased the quantity I required and upon receiving the copies sent them to all of my relatives and gave a few copies to close friends It truly was a labor of love It was very gratifying to receive notes letters phone calls and e mails from my cousin

Buried Truth Jim Graham,2025-08-21 For five decades I believed I was a member of the Graham family from a lower middle class neighborhood several miles east of Buffalo NY The revelation that I was not shocked me To make my story more intriguing I was not adopted Truth can be stranger than fiction I quickly realized I was a pawn in a scheme to protect the Catholic Church from a public scandal Kathryn Graham who I believed to be my aunt and was not unsympathetically told me It had to be this way She went on to say We are all dealt a hand in life it comes down to how we play it The hand that I was dealt was seven card stud with only one card turned up Over the following 25 years I perservered putting together the pieces of my life I was denied My story is compelling and poignant A true page turner
