Jake The Detective English Edition:

Sweat Mark Gilleo, 2012-08-28 When Jake Patrick took a summer internship at his estranged father's corporation he anticipated some much needed extra cash and a couple of free meals from his guilty dad. He would never have guessed that he'd find himself in the center of an international scandal involving a U.S. senator conspiracy, backroom politics and murder. Or that his own life would hang in the balance. Or that he'd find help and much more than that from a collection of memorable characters operating on all sides of the law. Jake's summer has turned into the most eventful one of his life. Now he just needs to survive it. From the sweatshops of Saipan to the most powerful offices in Washington, SWEAT rockets through a story of crime and consequences with lightning pacing, a twisting plot, an unforgettable cast of characters and wry humor. It is another nonstop thriller from one of the most exciting new voices in suspense fiction. Finalist 2014 International Book Awards.

The Spaghetti Set Rose Marie Boyd, 2011-05-13 Feel like a fly on the wall in the homes of two Italian American families. This light fiction reveals characters whose irreverent, ludicrous and intimate behavior affirms the old adage: Family is family, like it or not. A brother and sister depart war-torn Italy in 1947 and cross the Atlantic to reunite with their father in Benton, New Jersey. As the seasick brunette dreams of eligible Americans, the young fellow dreads the prospect of dealing with his cantankerous Pap. Meanwhile in Benton, another Italian American family bickers over mundane issues with burlesque animation. Partnerships test the patience of the brothers and domesticity puts the women at odds. These economically disparate clans, the Camaras and the Matteos, cross paths after Teresa Camara literally bumps into love-starved Mack Matteo. Instead of letting their mutual attraction evolve slowly into something more, her scheming father takes matters into his own hands, placing their relationship on course for possible disaster. While the households of the Camaras and the Matteos are fraught with normal sibling rivalry and shared secrets, a few obnoxious family members engage in outlandish behavior, causing total mayhem and discord. One unscrupulous brother's involvement in an embezzlement scheme leads to murder. How the two families cope with the absurdities of love, intimacy and life unfolds in a true comedy of errors, complete with misunderstandings, laughter, frustration and tears.

Healing Sands Nancy N. Rue, Stephen Arterburn, 2009-12-13 With her life spinning out of control, Ryan Coe just wants to find a place where she can rest. Ryan Coe feels lost. Her marriage is over, her kids are living with their dad, her God life is silent and her patience is practically nonexistent. To top it off, her once exciting job as a photojournalist has been reduced to taking pictures of enchilada festivals and B-level actors. But when she arrives at the scene of a crime and sees her son's face through her zoom lens, her world crashes. Her only mission: to find out who really did this and why they framed her. But before she can help anyone, Ryan's got to get her anger in check. She turns to Sullivan Crisp's Healing Choices clinic, but even that doesn't go according to plan. Quirky and unusual, don't even begin to describe Sully and Ryan. Soon, he realizes he isn't the quick fix therapist she was hoping for. Between his unorthodox counseling and a group of women who are the first real friends she's had in a long time, Ryan begins to realize it's not control she's
