The Concise New Partridge Dictionary of Slang and Unconventional English Tom Dalzell, Terry Victor, 2014-11-27 The Concise New Partridge Dictionary of Slang and Unconventional English presents all the slang terms from The New Partridge Dictionary of Slang and Unconventional English in a single volume. Containing over 60 000 entries this concise new edition of the authoritative work details the slang and unconventional English of from around the English speaking world since 1945 and through the first decade of the new millennium with the same thorough intense and lively scholarship that characterized Partridge's own work.
