The Ultimate Quest Jordan Haynie Ware, 2017-02-01 This tongue in cheek introduction by Episcopal priest and certified geek J M H Ware uses an it s geek to me approach to translate Episcopal theological concepts and rich church traditions into geek language accompanied by comics that help the reader maneuver through the oft dense liturgical and theological workings of the Christian tradition A tool to evangelize and attract young people to church it is useful for both those who have recently discovered The Episcopal Church and cradle Episcopalians who have always know there was magic here helping them to deepen understanding of their faith and relate it to elements of their everyday life It will also assist them in explaining their faith to friends who may be even less familiar with Episcopal traditions than they are This book endeavors to as Rachel Held Evans has said creatively re articulate the significance of the traditional teachings and sacraments of the church in a modern context specifically in the geek context that is similar to but more widely known than church culture All nerds are welcome on this wild adventure through the Episcopal jungle Begin the quest by diving into the Player s Handbook otherwise known as the Book of Common Prayer Discover the symbolism of every piece of equipment and vestment used during the service Embrace the wonders of the Episcopal Disneyland we call General Convention And embark on the adventure path that we call the Holy Eucharist Ware s light and funny style make the impenetrable mysteries of theology liturgy and church history accessible for all from fans of Star Wars to fans of Star Trek Her church geekery is matched only by the depth of her knowledge of nerd culture We solemnly swear that you will make your next Knowledge religion check

Directory and Buying Guide , 1954 **The Storied Church** Matthew Gorkos, 2021-09-07 Matthew Gorkos begins *The Storied Church* with this compelling statement I believe in the church in the power of faithful people serving a good and gracious God and I believe in the power of a good story Moreover I believe as this book will argue that church and story harnessed together could be an even more powerful force for goodness in our world Neuroscientists anthropologists archeologists and psychologists all agree Story is how our brains and our communities make sense of things

Storytelling helps us cope with change and loss Storytelling helps us transmit lessons and life skills to the next generation As human beings it seems we can't do without story This book indeed this whole idea of story centered church renewal was born of a suspicion that the restorative transformative life giving function that stories have for us as individuals may serve communities of faithful people as well If stories help us survive as human creatures why can't they help churches survive The problem that story centered renewal seeks to remedy has only become more prevalent and urgent in the age of Covid 19 Our churches need hope now more than ever Writing from a pastor's perspective Gorkos hopes to encourage and empower other pastors and lay leaders with both the hope and the tools they need to effect revitalizing change in their faith communities Each chapter includes questions for reflection to help readers listen to and tell the stories that will lead to renewal and transformation
