Bryant,2023-09-19 *The role of vitamin D in metabolic and cardiovascular health* Jasmina Debeljak Martacic,Ivana Šarac,Marija Djekic Ivankovic,2023-05-16 *The Supreme Court of Ghana Law Reports* ,2013 Sanctions, Business and Human Rights Alena F. Douhan,2025-10-01

The use of unilateral sanctions the means of their enforcement and over compliance and the implementation of UN Security Council resolutions in the face of unilateral sanctions raise serious concerns related to international law and in particular to international human rights and humanitarian law as well as questions related to political and economic decision making Despite the existence of multiple publications focusing on sanctions of the UN Security Council and on unilateral sanctions the issues of over compliance sanctions enforcement an assessment of the legality and impact of various types of unilateral sanctions and access to justice and to remedies in particular appear to have been overlooked and urgently need to be addressed Sanctions Business and Human Rights provides a comprehensive analysis and assessment of the current state of affairs with regards to unilateral sanctions not only

from the perspective of human rights law but also by involving other disciplines such as political science and economics as well as other areas of international law including principles of international law and international trade law This book edited by UN Special Rapporteur Alena F Douhan features 22 highly credentialled contributors from a wide range of countries around the world addressing WTO law international economic law human rights law international humanitarian law sources of international law the law of international responsibility international cyber law international commercial arbitration international private law and many other areas Their reports demonstrate that access to justice access to remedies mechanisms of accountability and redress universally recognized as the means of promotion and protection of all human rights as well as of the rule of law in general cannot be guaranteed in sanctions environments and sometimes cannot be applied at all Lawyers who traditionally play an important role in the promotion and protection of human rights are affected by unilateral sanctions and subjected to higher risks and responsibility for circumvention or alleged circumvention of unilateral sanctions regimes

**Selected Scientific Works of Hans Christian Ørsted** Hans Christian Ørsted, 2014-07-14

Hans Christian Ørsted 1777 1851 was one of the leading scientists of the nineteenth century having played a crucial role in founding electromagnetism Unfortunately for the English speaking world almost all of his research was published in other languages particularly his native Danish This book will help to elevate Ørsted to his rightful place in the history of science by finally making his most important scientific works available in English The book includes for example Ørsted's account of his revolutionary experiments in electromagnetism In 1820 he discovered that a compass needle deflects from magnetic north when an electric current is switched on or off in a nearby wire This showed that electricity and magnetism were related phenomena a finding that laid the foundation for the theory of electromagnetism and for research that later created such technologies as radio television and fiber optics The unit of magnetic field strength was named the Ørsted in his honor Selections here also show the extraordinary breadth of Ørsted's interests which range through a long and prolific career from the study of plant alkaloids and the compression of fluids to the nature of light and the natural science of beauty The writings are taken from scientific papers Ørsted's correspondence and reports of the Royal Danish Academy of Sciences and Letters The book will not only draw long overdue attention to Ørsted's own work but will also shed new light on the nature of scientific study in the nineteenth century Originally published in 1998 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
