On Demand Prompts

Teachers: The purpose of Kentucky's On Demand writing assessment is to determine if students can independently apply skills and knowledge of writing. Students will produce a single response to a prompt, written in a single, limited time frame. Prompts provide a context which includes an audience, purpose, and form for the piece of writing. The prompts are structured to elicit student writing which correlates to first grade writing standards. The assessment allows for a 90 minute time limit.
