**International Sport: A Bibliography, 2000** Richard William Cox,2013-10-23 There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new

*The Lives of Conn Smythe* Kelly McParland, 2012-10-02 While the story of the Toronto Maple Leafs has been told many times there has never been a full biography of the man who created built and managed the team turning it from a small market collection of second rate players into the hockey and financial powerhouse that dominated Canadian sports and created a collection of Canadian icons along the way From the 1920s to the mid 1960s Conn Smythe was one of the best known highest profile figures in the country irascible tempestuous outspoken and controversial He not only constructed a hockey team that dominated the league for long stretches but was critical to the growth and shaping of the NHL itself By building Maple Leaf Gardens and hiring Foster Hewitt to fill Canada's living rooms with weekly broadcasts he turned Saturday night into hockey night creating institutions and habits that became central to Canada's character and remain with us today Smythe's story is much deeper

and richer than the tale of a cantankerous hockey owner Smythe fought in both world wars fighting at Ypres and Passchendaele in the first war and landing at Normandy in the second He was wounded in both and spent two years as a POW in a German camp after being shot down in 1917 He grew up in poverty and vowed to escape the life that was so incredibly hard on his family Smythe was active in politics and ignited a national crisis over conscription that split the Liberal government in two and brought Mackenzie King to the brink of resignation This book tells the life of one of the country's great characters a man who helped shape and define us and who left behind national habits and institutions that continue to lay at the heart of what makes Canada Canada      **Saskatchewan Sports** Brian Mlazgar, Holden Stoffel, 2007      Library Journal , 2001 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately      Canadian Books in Print , 2003      **Canadian Books in Print** Marian Butler, 2000      Book Review Index , 2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index
