**Wolf Masters Box Set, Volume One** Becca Jameson, 2020-07-28 Welcome to the Wolf Masters The Masters are a family of wolf shifters The first five books center around Richard and Nancy Masters and their dairy farm in Oregon They raised one daughter four sons and one adopted son As each of the males come of age and meet their mate they discover that they must share her with another man For the first son this is a relief He s been sharing women with his best friend for as long as he can remember The other three brothers are not quite so convinced but Fate has Her way **Grizzly Mountain** Becca Jameson, 2017-04-11 Two grizzly shifters rarely bind themselves together in haste but what if a shifter s mate is human Heather Simmons is excited to start a new job in Alberta Canada as a glaciologist But when a minor accident leaves her trapped on a hiking trail overnight she finds herself facing a burly mountain man and a pair of grizzly bears From that moment forward things could not get weirder Isaiah Arthur knows instinctively that Heather is his mate the moment he scents her clothing before heading up the mountain to rescue her The sensation is confusing since she is obviously human and converting a human to his species is strictly forbidden A rogue shifter takes Heather s transition out of Isaiah s hands however Isaiah is left with no choice but to take her home and find a way to inform her of her unintended fate while fighting the intense need to make her his as soon as possible The North American governing body the Arcadian Council is not amused by the rare turning of a human and chaos ensues as Isaiah races against the clock to bind his mate to him forever before someone steps in the way and takes the opportunity out of his hands This book is a re release of a previously published book No additions or changes have been made to the story *The Wanderers Box Set, Volume Two* Becca Jameson, 2023-07-04 The world is no longer a safe place especially for women For several decades the birth rate of females has been declining Militants the government and private citizens alike will do anything to find young women and force them into unthinkable arrangements The Wanderers are a secret underground society born to provide sanctuary for anyone who believes in free will and democratic notions They have grown in numbers for many years and have several compounds where their citizens live in safety This box set includes Shelter Hideout and Haven Marigold Becca Jameson, 2023-06-20 From USA Today best selling author Becca Jameson comes a new dark romance series Roses and Thorns is packed with sex lies secrets deceit vendettas and dark situations Forbidden love won t stop me from finding her and making her mine Gemma I live a luxurious protected life I know I m na ve My controlling father watches me like a hawk He s a powerful man with endless connections He s also strict If his employees so much as glance at me they disappear If I glance at them they re fired So I keep my eyes down and my thoughts to myself It works Most of the time Except with Damon Damon I have a job to do Goals They don t include the beautiful young temptress who struts around her father s compound showing far too much skin I can t be distracted by her It doesn t matter that her smile lights up a room or that her voice melts me My priorities have been set in stone for years I will not be distracted I m working against the clock but not fast enough When the compound is raided

everyone is murdered Except Gemma There s no body I will find her even if it takes years And I will stop at nothing to get her back No price tag is too high to buy her freedom      **Grizzly Promise** Becca Jameson,2017-09-12 Being the fated mate of an incredibly sexy grizzly shifter could be a nightmare or a dream come true When grizzly shifter Wyatt Arthur arrives in Calgary Alberta for a business trip he finds himself blindsided by the shy skittish woman he is certain will be his mate In a peculiar turn of events she already has a boyfriend a man Wyatt is confident is not interested in women After suffering a traumatizing experience as a teenager Paige Osborn doesn t date Ever In fact she keeps men at bay by pretending to be in a committed relationship with her human best friend Gavin Wright There s just one problem Gavin is gay Gavin has never been comfortable keeping Paige s secret from her family but they have an agreement She keeps his sexual preferences confidential and he keeps her sexual assault from the world What Paige doesn t factor into her life is the possibility that someone might one day cause her to waver on her conviction never to bind to anyone human or shifter There is no way to ignore Fate however and Paige is forced to face her past and her future Now she just needs to figure out how to reconcile the two and find the strength to let Wyatt into her heart This book is a re release of a previously published book No additions or changes have been made to the story      **Sharon's Wolves** Becca Jameson,2016-04-07 Fate chooses who will mate and She does so on Her own timetable Sharon Masters is the last unmated sibling in her family Although history would suggest she is fated to mate with Cooper Hamilton she hasn t met him For Cooper the message is also clear It s the reason he hasn t been to town in over two years His time is up As a seismologist a series of earthquakes lure him to face his fate Jackson Wolf is human All he knows is the unbelievable physical attraction he has for Sharon However her family s reputation for living in threesomes makes him shy away Fate steps in as She always does to force Her hand The land is rumbling The citizens are fighting The spirits are present It s time for Fate to arrange another mating Her timing is never off This book is a re release of a previously published book No additions or changes have been made to the story      **Wolf Trinity** Becca Jameson,2018-06-22 Emma is a wolf shifter on the run from humans who killed her parents fifteen years ago When she steps on an old trap in the Tennessee woods she is truly screwed Hungry and tired from weeks of running she assumes she s going to die Liam and Jaden are also wolf shifters They re staying in a cabin in the wilderness for the summer hoping to spend lazy months enhancing their own relationship and escaping women altogether But Fate has other plans in the form of a trapped female wolf near their cabin Not only is she injured and mysteriously alone but they realize she s their mate As Emma recovers from a broken leg pheromones fill the tiny cabin suffocating them all with the need to mate But Emma has an agenda run for her life and keep these two male shifters from succumbing to the same fate she is destined for death And Liam and Jaden have their own problems They are concerned about what will happen to their own relationship if they claim the gorgeous female occupying their bed They can t be certain she will accept their need to be with each other as well as her More importantly they fear she will flee at the first opportunity leaving the two men with holes in their hearts      Catching

finds herself tucked between more men than she bargained for Charlotte has it all Her own thriving business Perfect health An amazing outlook on life And the devotion of not one but two men But is two men enough for her A chance encounter with an old acquaintance has her craving the forbidden Nile and Samson adore Charlotte They have the perfect arrangement and both of them would give her the world However their foundation shakes when another man catches her attention No matter how strongly they feel for her they have to let her follow her heart But what about Rex The newest member of their group is blindsided to find out that the woman he craves already lives in a committed relationship She has far too much baggage for his taste There s no ignoring the pull to explore outside the boundaries but is there a line in the sand Sometimes the best Christmas presents come wrapped in the most unusual packaging      **Sanctuary** Becca Jameson,2021-10-19 The world is no longer a safe place especially for women For several decades the birth rate of females has been declining Militants the government and private citizens alike will do anything to find young women and force them into unthinkable arrangements The Wanderers are a secret underground society born to provide sanctuary for anyone who believes in free will and democratic notions They have grown in numbers for many years and have several compounds where their citizens live in safety After living off the grid for all of her twenty one years Layla s life has been uprooted after the murder of her parents On the run with her nineteen year old sister she s hungry scared and running out of time At her lowest moment of despair she finally finds someone who can take them to The Wanderers Layla knows how to take care of herself She can fight She can forage for food She has bad ass survival skills But she has never been this close to anyone outside of her immediate family especially men So many men She s aware of society s inclination towards living with multiple partners but is she ready to enter into a polyamorous relationship herself Jay Gatlin Ledger and Nile have been living as a family unit with The Wanderers for years When Layla shows up they practically trip over one another in an effort to woo her She s young and sweet and kind and all that is good in the world Pressuring her to choose them is strictly forbidden of course They must be patient When Layla goes missing her men will do anything to find her before she falls into the wrong hands Losing her is not an option They just got her But is she really theirs      *Shadow in the Darkness (Shadow SEALs)* Becca Jameson,2022-09-13 It was supposed to be a vacation not a mission When Grant takes off on a cruise through the Panama Canal with several of his SEAL buddies the last thing he expects is drama And he certainly isn t prepared to find himself in a warzone Callie is on a much needed vacation with her girlfriends Laughter partying drinking maybe a bit too much drinking that first night The sexy man who helps her back to her room might be a fun cruise hookup When all hell breaks loose the fun times come to a screeching halt Apparently the relaxed easy going man she s been flirting with isn t quite as average as she believed But then again neither is she      **Feeling Brave** Becca Jameson,2022-08-23 Juliet For three years I ve been relying on Aldric After my parents died he swooped in to take care of me It s not fair to him I know I m holding him back I m a ballerina but only in private I m also Little but only in private My fantasy of Aldric being the Daddy I crave is just that a fantasy What if I admit

what I really want and I lose him Aldric With our age difference I know we have an unconventional relationship There s no place I d rather be than with Juliet She s my Little even if she doesn t realize it We live together I take care of everything for her while she grieves If this is all I ever get with Juliet I will take it She s mine even though I ve never told her I could take a risk and ask for more but what if I lose her      **Claiming Her Box Set** Becca Jameson,2020-07-28 This three book box set includes *The Rules* *The Game* and *The Prize* If you like strong heroes who have more money than they know what to do with you ve come to the right place The *Claiming Her* series will make you squirm You ll need a fan and probably some new batteries You ve been warned Three friends from childhood Cade Riley and Parker have invested wisely in their futures and built a technology empire that has made them very rich They work hard but they play harder They have also been unlucky in love They deserve some peace It s time to leave the drama behind and meet women who are strong enough to handle their dominant tendencies preferably women who haven t made it their life goals to manipulate their way into deep pockets

*Grizzly Secret* Becca Jameson,2017-08-08 Ignoring the urge to bind is one thing but for grizzly shifters denying Nature for more than a decade is unheard of Grizzly shifter Joselyn Arthur has been living a lie She s been lying to her parents her siblings and even herself The decision to return to her hometown in the mountains of Alberta Canada after university and take a job in the family brewery two years ago was not her best move Alton Tarben has also been working his butt off for the past two years in his family s brewery on the other side of town He too is questioning why on earth he thought this would be a good idea He s lonely and bored and his bed needs warming When the two breweries end up in a battle over new product launches Joselyn and Alton decide they ve had enough Enough hiding Enough sneaking around Enough separation The problem is that life is not that simple Silvertip isn t progressive enough to tolerate the binding of two shifters from rival bear packs Joselyn and Alton must decide if they re finally willing to put their happiness first and risk losing their families and their community This book is a re release of a previously published book No additions or changes have been made to the story      *Nonstop* Becca Jameson,2021-02-09 Rebekah Life has dealt her a difficult hand making it hard for her to trust men
