WARNING This is not the actual book Me Before You by Jojo Moyes Do not buy this Review if you are looking for a full copy of this great book This review of British author Jojo Moyes Me Before You gives you some fun facts about Moyes and her works including the fact that the inspiration for this novel was a quadriplegic rugby player who committed suicide at the same Dignitas clinic mentioned in the novel Me Before You is the story of a woman who discovers herself and love while caring for Will Traynor a bitter quadriplegic It also delves deeper into the psyche of Louisa a young woman who already has a boyfriend albeit a dull one She is forced to leave her cafe job leading her to a job caring for Will and a love she never saw coming Me Before You is a compelling tale that analyzes the right to die debate in a way you never considered Louisa's job description is as caregiver but it's clear that Will's mother just wants her there to watch over him Will was once a powerful successful and handsome hunk of a man yet now he feels like a shell of his former self ready to give up Lou still sees that

hunk and she is ready to do everything she can to give him the courage to go on and make the most of life Lou's charm works as she even manages to cheer him up on occasion Everything changes when she overhears his intention to commit suicide in six months The author's choice of ending for *Me Before You* is controversial and this review offers an alternative outcome that might have kept a few more tissues in the box **Summary of Me Before You** Instaread Summaries,2016-04-04
