Solution Manual

A green glass dropper is shown in the upper left, tilted downwards. A single drop of clear liquid is captured mid-fall, just above the surface of a body of water. The water surface is blue with concentric ripples emanating from the point of impact. The word 'Solution' is written in large green letters, with the falling drop passing through the letter 'o'. The word 'Manual' is written in large green letters below 'Solution', with the reflection of the drop visible in the water below it.
