Melrose Place Season 4 Episode Guide:

The Complete Guide to Television and Movie Drinking Toby Ogle, 2003-10 *Focus On: 100 Most Popular Television Series* by Warner Bros. Television Wikipedia contributors, **TV Guide**, 1999 **Variety and Daily Variety Television Reviews, 1993-1994** Prouty, 1996-10 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare's *A Comedy of Errors*. Miola's edited work also features a comprehensive critical history coupled with a full bibliography and photographs of major productions of the play from around the world. In the collection there are five previously unpublished essays. The topics covered in these new essays are women in the play, the play's debt to contemporary theater, its critical and performance histories in Germany and Japan, the metrical variety of the play, and the distinctly modern perspective on the play as containing dark and disturbing elements. To compliment these new essays, the collection features significant scholarship and commentary on *The Comedy of Errors* that is published in obscure and difficult-to-accessible journals, newspapers, and other sources. This collection brings together these essays for the first time.

Gen X TV Rob Owen, 1997-03-01 No generation eludes definition as much as Generation X. Rob Owen opens with a history of network and cable television since the birth of Generation X but goes on to explore the symbiotic relationship between television and this largely misunderstood age group. From the first megahit *The Brady Bunch* to today's *Friends*, Owen unflinchingly describes the boob tube as the ubiquitous babysitter for millions of young people. Television, Owen maintains, consumes innocence as viewers encounter countless episodes of society's woes from political strife and environmental decimation to everyday violence and crime. Roll Over Adorno Robert Miklitsch, 2012-02-01 What happens when Theodor Adorno, the champion of high classical artists such as Beethoven, comes into contact with the music of Chuck Berry, the de facto king of rock n roll? In a series of readings and meditations, Robert Miklitsch investigates the postmodern nexus between elite and popular culture as it occurs in the audiovisual fields of film, music, and television, ranging from Gershwin to gangsta rap, Tarantino to *Tongues Untied*, Tony Soprano to *Buffy the Vampire Slayer*. Miklitsch argues that the aim of critical theory in the new century will be to describe and explain these commodities in ever greater phenomenological detail without losing touch with those evaluative criteria that have historically sustained both *Kulturkritik* and classical aesthetics. *Alternate Channels* Steven Capsuto, 2000 Definitive, vibrant, and utterly fascinating, *ALTERNATE CHANNELS* traces the monumental growth of gay, lesbian, and bisexual images on radio and television from the 1930s to the present. Splashed against the tumultuous backdrop of the McCarthy witch hunts, Stonewall, and the gay liberation movement, the birth of the 700 Club, and the religious right, the outbreak of AIDS, and the arrival of in-your-face queer activism, this chatty, authoritative broadcast history tells the stories of such notorious and noteworthy moments as 1947 Radio's *Gay's*, a bitchy fashion photographer throws fits at the drop of a designer hat on the adaptation of Moss Hart's *Lady in the Dark*, 1967 *Monkey Business*, The Monkees flick limp wrists while caroling *Don't Put Your Gay Apparel* for a Christmas special, 1974

Pepper in the wound A notorious Police Woman episode depicts a gang of deadly lesbians who rob torture and murder senior citizens 1977 Wash your mouth out Billy Crystal portrays Jodie Dallas on Soap the first hit series with a gay character in a central role 1991 L A Law breaks em Amanda Donohoe and Michele Greene share a two second kiss and start a storm of controversy 2000 The last laugh Featuring not one but two gay male characters Will Grace skyrockets to the top of the ratings charts From mocking effeminate banter on 50s radio to out and proud family on 90s television from the stereotyping of gays lesbians and bisexuals as sissies and psychopaths to their widespread acceptance as real people these changes are charted in ALTERNATE CHANNELS This compulsively readable chronicle of lesbian gay and bisexual images in the media is packed with unthinkable shows bizarre personalities unlikely heroes and some of the strangest protests ever staged in the name of civil rights

What Television Remembers Jennifer VanderBurgh, 2023-10-15 Television in Canada has been undervalued as a cultural form Despite being publicly funded Canadian television programs are also notoriously difficult to access once they go off the air which has compounded the

problem In *What Television Remembers* Jennifer VanderBurgh intervenes in the story of the medium in Canada by exploring the long relationship between TV and the city of Toronto From the first demonstration of television at the Canadian National Exhibition in 1939 and the mass viewing of Queen Elizabeth II s coronation broadcast in 1953 to the late century installation of TV screens in public spaces around the city television has shaped Toronto s collective imagination and affirmed viewers in their multiple identities as local residents national citizens and transnational consumers In a close reading of Toronto based CBC dramas from the 1960s to 2010 VanderBurgh explains how the city has functioned as a strategic location in CBC programming reflecting dramatically changing ideas about Canadian identity community and citizenship At a time when many are suggesting that the era of television is over *What Television Remembers* sounds the alarm that we are in danger of forgetting TV in Canada without appreciating the complexities of its contributions and legacy Toasting Cheers Dennis A.
