Memo From David O Selz:

Harnessing the Technicolor Rainbow Scott Higgins, 2009-02-17 Like Dorothy waking up over the rainbow in the Land of Oz Hollywood discovered a vivid new world of color in the 1930s The introduction of three color Technicolor technology in 1932 gave filmmakers a powerful tool with which to guide viewers attention punctuate turning points and express emotional subtext Although many producers and filmmakers initially resisted the use of color Technicolor designers led by the legendary Natalie Kalmus developed an aesthetic that complemented the classical Hollywood filmmaking style while still offering innovative novelty By the end of the 1930s color in film was thoroughly harnessed to narrative and it became elegantly expressive without threatening the coherence of the film s imaginary world *Harnessing the Technicolor Rainbow* is the first scholarly history of Technicolor aesthetics and technology as well as a thoroughgoing analysis of how color works in film Scott Higgins draws on extensive primary research and close analysis of well known movies including *Becky Sharp* *A Star Is Born* *Adventures of Robin Hood* and *Gone with the Wind* to show how the Technicolor films of the 1930s forged enduring conventions for handling color in popular cinema He argues that filmmakers and designers rapidly worked through a series of stylistic modes based on the demonstration restraint and integration of color and shows how the color conventions developed in the 1930s have continued to influence filmmaking to the present day Higgins also formulates a new vocabulary and a method of analysis for capturing the often elusive functions and effects of color that in turn open new avenues for the study of film form and lay a foundation for new work on color in cinema

The Way They Were Robert Hofler, 2025-01-21 The first ever account of the making of the cinematic classic *The Way We Were* starring Barbara Streisand and Robert Redford revealing the full story behind its genesis and continued controversies its many deleted scenes its much anticipated but never filmed sequel and the real life romance that inspired this groundbreaking love story It s one of the greatest movie romances of all time Fifty years on the chemistry between Barbra Streisand as Jewish working class firebrand Katie Morosky and Robert Redford as all American golden boy Hubbell Gardiner remains potent Yet the friction and controversy surrounding *The Way We Were* were so enormous the movie was nearly never made at all Impeccably researched and eye opening here is the full story behind the challenges rivalries and real life romance surrounding the movie Even the iconic casting was fraught Screenwriter Arthur Laurents wrote the role of Katie with Streisand in mind but finding Hubbell was another matter Redford was reluctant to play what he perceived as the Ken doll to Streisand s lead resulting in ten writers among them Francis Ford Coppola being called in to rework the script The first preview was disastrous Several scenes were cut angering Streisand and Laurents yet the new version was a resounding success and its appeal endures earning it a regular spot in the AFI s annual Top 10 movie romances *The Way They Were* also explores the deep surprising love story that inspired the screenplay the relationship between Laurents a Jewish Brooklyn born college leftist and his longtime partner Tom Hatcher Drawing on Laurents s unpublished writings as well as interviews with Streisand Redford and other key players

this is the definitive account of a film that changed the rules of moviemaking and has defined romance ever since **West of Eden** Jean Stein,2016 Stein examines Los Angeles and a mythic cast of fortune hunters and aspiring moguls whose quests for fame and power destroyed many along the way She tells the stories of five larger than life individuals and their families each one representing different aspects of Los Angeles and the American dream Each chapter paints a panoramic picture of outsiders pinning their hopes on Los Angeles then watching as the shadow of those dreams envelopes their loved ones especially their children and the city itself **City of Nets** Otto Friedrich,1997-05-02 History of Hollywood in the 1940 s

The Sound of Cinema Sean Wilson,2022-05-04 While some film scores crash through theater speakers to claim their place in memory others are more unassuming Either way a film s score is integral to successful world building This book lifts the curtain on the elusive yet thrilling art form examining the birth of the Hollywood film score its turbulent evolution throughout the decades and the multidimensional challenges to musicians that lie ahead The history of the film score is illuminated by extraordinary talents like John Williams Hans Zimmer and countless others Beginning with vaudeville and silent cinema chapters explore the wonders of early pioneers like Max Steiner and Bernard Herrmann and continue through the careers of other soundtrack titans Leading Hollywood film composers offer in this book fascinating perspectives on the art of film music composition its ongoing relevance and its astonishing ability to enhance a filmmaker s vision **The Films of Judy**

Garland James L. Neibaur,2022-09-19 Judy Garland was an entertainment icon whose performances on stage screen and television had a tremendous impact across decades and media This film by film study of her work follows her progression from pig tailed child to a top motion picture star with such timeless classics as The Wizard of Oz Meet Me in St Louis and A Star is Born Garland s talent and versatility as an actress are explored through each of her movie roles More than just a reference filmography this work examines how Garland s talents were realized and understood by producers and the world It analyzes the star s relationships with various co stars and directors and details how she balanced her painful insecurities with her often focused and driven approach to her work Through the context of her work on film Judy Garland s innate and enduring star power is readily appreciated and acknowledged Media-Made Dixie Jack Temple Kirby,1986 In Media Made

Dixie Jack Kirby shows how the American public s perceptions of the South have been influenced even controlled by the mass communications media In this newly updated edition Kirby surveys major movies radio and television shows plays popular histories and music from the turn of the century through the 1980s He documents a progression in the national image of the South from the cracker wasteland of Erskine Caldwell s God s Little Acre to the antebellum wonderland of Hollywood s Shirley Temple Bojangles Robinson musicals from William Styron s searching account of the Old South in Confessions of Nat Turner to the New South ingenuity of Jimmy Carter and Ted Turner and from the regressive back roads of television s The Dukes of Hazzard to the complex reconciliation found in Alice Walker s and Steven Spielberg s The Color Purple

Working in Hollywood Ronny Regev,2018-09-25 A history of the Hollywood film industry as a modern system of labor

this book reveals an important untold story of an influential twentieth century workplace Ronny Regev argues that the Hollywood studio system institutionalized creative labor by systemizing and standardizing the work of actors directors writers and cinematographers meshing artistic sensibilities with the efficiency minded rationale of industrial capitalism The employees of the studios emerged as a new class they were wage laborers with enormous salaries artists subjected to budgets and supervision stars bound by contracts As such these workers people like Clark Gable Katharine Hepburn and Anita Loos were the outliers in the American workforce an extraordinary working class Through extensive use of oral histories personal correspondence studio archives and the papers of leading Hollywood luminaries as well as their less known contemporaries Regev demonstrates that as part of their contribution to popular culture Hollywood studios such as Paramount Warner Bros and MGM cultivated a new form of labor one that made work seem like fantasy *The Dinosaur Filmography* Mark F. Berry, 2015-08-31 From classics like King Kong to beloved B movies like The Beast from 20 000 Fathoms to blockbusters like Jurassic Park it s easy to see that filmmakers and audiences alike love to see dinosaurs on the screen This comprehensive filmography arranged alphabetically by title contains entries that include basic facts year of release country of origin studio and running time followed by a concise plot summary the author s critical commentary information on the production and the people behind it and secrets of the often ingenious special effects Three useful appendices feature films with minor dinosaur content planned but unfinished dinosaur movies and the quasi dinosaurs of Toho Studios To be included a movie must depict one or more representations of a prehistoric reptile Inaccurate portrayals are included as long as the intent is to represent a real or fictional dinosaur Not eligible are films featuring prehistoric mammals prehistoric humans or humanoids and beasts of mythology unless of course the movie also has a dinosaur **Ride the Frontier** Flavia Brizio-Skov, 2021-01-28 With fresh appraisals of popular Westerns this book examines the history of the genre with a focus on definitional aspects of canon adaptation and hybridity The author covers a range of largely unexplored topics including the role of heroines in a supposedly male oriented system of film production the function of the celluloid Indians the transcultural and transnational history of the first spaghetti Western the construction of femininity and masculinity in the hybrid Westerns of the 1950s and the new paths of the Western in the 21st century *America in the Movies, Or, "Santa Maria, it Had Slipped My Mind"* Michael Wood, 1989 On the American image in the movies *The Arizona Quarterly* , 1995 *T.C. Memorandum Decisions* United States. Tax Court, 1953 *The Publishers Weekly* , 1973 *Hollywood TV* Christopher Anderson, 2013-10-11 The 1950s was one of the most turbulent periods in the history of motion pictures and television During the decade as Hollywood s most powerful studios and independent producers shifted into TV production TV replaced film as America s principal postwar culture industry This pioneering study offers the first thorough exploration of the movie industry s shaping role in the development of television and its narrative forms Drawing on the archives of Warner Bros and David O Selznick Productions and on interviews with participants in both industries

Christopher Anderson demonstrates how the episodic telefilm series a clear descendant of the feature film became and has remained the dominant narrative form in prime time TV This research suggests that the postwar motion picture industry was less an empire on the verge of ruin as common wisdom has it than one struggling under unsettling conditions to redefine its frontiers Beyond the obvious contribution to film and television studies these findings add an important chapter to the study of American popular culture of the postwar period **Debussy Redux** Matthew Brown,2012-04-09 In a study that is both scholarly and highly entertaining Matthew Brown explores pop culture s appropriations of Debussy s music in everything from 30s swing tunes 40s movie scores 50s lounge exotica 70s rock and animation 80s action films and Muzak The book however is far more than a compendium of fascinating borrowings The author uses these musical transfers to tackle some of the most fundamental aesthetic issues relevant to the music of all composers not just Debussy David Grayson Book jacket

Black Ballots Steven F. Lawson,1999-01-01 Black Ballots is an in depth look at suffrage expansion in the South from World War II through the Johnson administration Steven Lawson focuses on the Second Reconstruction the struggle of blacks to gain political power in the South through the ballot which both whites and black perceived to be a key element in the civil rights process Examining the struggle of civil rights groups to enfranchise Negroes Lawson also analyzes the responses of federal and local officials to those efforts He describes the various techniques from the white primary the poll tax literacy tests and restrictive registration procedures through sheer intimidation that were developed by white southerners to perpetuate disfranchisement and the sundry methods used by blacks and their white allies to challenge them The Hollywood Mode of Production Janet Staiger,1981 **House & Garden** ,1973 The Debonairs James Robert Parish,Don E. Stanke,1975
