## **Memoirs Of A Cop:**

**Thirty-Three Years** Rob G. Rothwell, 2021-11-24 That was it That was the moment I knew I wanted to be a cop When Rob Rothwell is a naive directionless eighteen year old he gets invited on a ride along with a young cop and the wild night that ensues sends him hurtling into a thirty three year career in policing And in this unabashedly unfiltered account of his years in Vancouver PD Rob takes readers on their own thrilling ride along With tough guy wit and unexpected well springs of deep compassion Memoir of a Cop shows the best and worst of humanity from the perspective of a cop daily putting his life on the line in the streets of a great city From the wild action of a car chase to dogged evidence gathering to the dangers and intricacies of an undercover drug operation to confrontations with sudden unspeakable horror Rob's wry humanist perspective brings us inside the life of a cop His story will appeal to the legions of police procedural fans out there as well as those considering a life in law enforcement And for those who simply love memoir as a way of vicariously living fascinating lives it will not disappoint

**Real Cop** David Leonard, 2019-11-22 Paperback version of police memoir by David Leonard

**Memoirs of a Playground Cop** Rene Ortega, 2010-12-20 Most students lack any form of discipline or restraint in the classroom Parents condone their childrens behavior School administrators exhibit a god complex and school police officers are caught in between the web of school politics that often interferes in enforcing the law equally to all Today students adverse behavior in the classroom no longer constitutes a delinquent conduct as per classroom discipline management rules but rather an act that has manifests itself into a criminal offense Students are empowered to act bad when their own parents themselves refuse to correct their childrens maladaptive behavior by blaming others for their short comings And this problem is further exasperated by school administrators who either use a strong arm tactic to curtail the problem or a too soft a hand to make an impression to get a child to exhibit positive behavior in the classroom School administrators have a God complex where they walk around their campus expecting everyone including school police officers to do their bidding School administrators try to instill their own brand of justice by picking and choosing which students are to be charged with a criminal offense while others are allowed to continue their maladaptive behaviors School police officers find themselves in a very precarious situation where they must wear different hats to address different issues that arise in the classroom School police officers are like band aides that are place on a wound it is a cure all fix all approach to making problems go away unfortunately when dealing with the school community school police officers and law enforcement in general cannot use a band aide to make things better as police work in a school setting is a web of complex issues that fosters misunderstanding among members of the school and law enforcement communities

The Berlin-Strasbourg Apocryphon Alin Suciu,2017-01-23 The incomplete state in which many Coptic writings have survived makes them difficult to assess and the text studied in this book is no exception Preserved in two fragmentary manuscripts the Berlin Strasbourg Apocryphon previously known as the Gospel of the Savior has been wrongly identified as a second century gospel which was bypassed in the formation of the Christian canon Alin Suciu demonstrates that this misunderstanding of the text derives from an insufficient knowledge of Coptic literature Rather the Berlin Strasbourg Apocryphon is one of the numerous apostolic memoirs a peculiar genre of Coptic literature which consists of writings allegedly written by the apostles often embedded in sermons attributed to famous church fathers These texts were composed following the Council of Chalcedon as part of the attempt of the emerging Coptic church to mold its identity after the schism
