Politics and Pan-Africanism Dawn Nagar, 2019-12-12 Offering an examination of the diplomatic and economic regional power structures in Africa and their relationships with each other Dawn Nagar discusses the potential and future of pan Africanism The three primary regional economic communities RECs that are recognised by the African Union as the key building blocks of a united Africa are examined these are the Common Market for Eastern and Southern Africa COMESA the East African Community EAC and the Southern African Development Community SADC These RECS include Africa s major economies Egypt South Africa and Kenya but are also home to Africa s most conflict prone and volatile states the Democratic Republic of the Congo DRC Burundi South Sudan Somalia and Lesotho Providing a detailed overview of the current relationship between these power blocs this book provides insight into the current state of diplomatic and economic relations within Africa and shows how far there is to go for a future of Pan Africanism

Global Security in the Twenty-First Century Sean Kay, 2015-03-06 This thoroughly updated edition of *Global Security in the Twenty First Century* offers a balanced introduction to contemporary security dilemmas throughout the world Sean Kay assesses the impact of the global economic crisis on international security and considers how the range of thinking about power and peace has evolved in relation to major flashpoints including in the Middle East Asia and Eurasia Kay builds on the first and second edition s emphasis on the roles of trade and technology the militarization of space the privatization of security the use of sanctions ethnic conflict and transnational crime This edition goes even farther to incorporate traditional thinking about national

security in the context of human rights democracy population health environment energy and especially education The author includes full updates on emerging challenges out of Iraq Russia and viral diseases in the context of larger strategic questions like the rise of China and America's pivot to rebalance its priorities toward Asia Writing in an engaging style Kay integrates traditional and emerging challenges in one easily accessible study that gives readers the tools they need to develop a thoughtful and nuanced understanding of global security

The Changing Face of American Banking Ranajoy Ray Chaudhuri, 2016-10-15 With almost 6 300 commercial banks significantly more than in any other country the world of US banking is unique fascinating and always in flux Two principal pieces of legislation have shaped the banking structure in this country The McFadden Act of 1927 which prohibited banks from branching into other states and The Glass Steagall Act of 1933 which separated commercial and investment banking activities The repeal of the Glass Steagall Act in 1999 was one of the main contributing factors behind the global financial crisis of 2008 This measure resulted in the passage of the Dodd Frank Wall Street Reform and Consumer Protection Act of 2010 which once again prohibited commercial banks from making certain types of speculative investments The Changing Face of American Banking analyzes the impact of both these acts as well as that of their subsequent repeal in depth examining the real effects of government regulations on the US commercial banking sector Ray Chaudhuri pinpoints the evolving nature of US commercial banks and banking regulations and explores their impact on the economy Instead of just focusing on banks and regulations this work considers the correlations and causality between banking performance and economic growth and productivity It also brings the banking literature up to date with the 2008 2009 financial crisis and its aftermath including the passage of the Dodd Frank Act of 2010 and its effect on American banking

MEDINFO 2015: EHealth-enabled Health I.N. Sarkar, A. Georgiou, P. Mazzoncini de Azevedo Marques, 2015-08-12 Health and Biomedical Informatics is a rapidly evolving multidisciplinary field one in which new developments may prove crucial in meeting the challenge of providing cost effective patient centered healthcare worldwide This book presents the proceedings of MEDINFO 2015 held in S o Paulo Brazil in August 2015 The theme of this conference is eHealth enabled Health and the broad spectrum of topics covered ranges from emerging methodologies to successful implementations of innovative applications integration and evaluation of eHealth systems and solutions Included here are 178 full papers and 248 poster abstracts selected after a rigorous review process from nearly 800 submissions by 2 500 authors from 59 countries The conference brings together researchers clinicians technologists and managers from all over the world to share their experiences on the use of information methods systems and technologies to promote patient centered care improving patient safety enhancing care outcomes facilitating translational research and enabling precision medicine as well as advancing education and skills in Health and Biomedical Informatics This comprehensive overview of Health and Biomedical Informatics will be of interest to all those involved in designing commissioning and providing healthcare wherever they may be

International Law and Business Bart Wernaart, 2024-07-22 This book introduces law in

the context of international business The basics of law are explored using a clear comparative methodology International and regional economic institutions are discussed next to the fundamentals of private law These include contract law liability law labour law company law privacy law intellectual property law and international private law The book goes beyond the usual focus on Western legal systems and uses examples from all over the world to provide students with comprehensive knowledge of business law It is set up rather broadly so that it can be used by teachers throughout their entire curriculum Each chapter ends with a clear summary With its colourful cases this book is accessible and fun to read

External Powers in Latin America Gian Luca Gardini, 2021-04-21 This book examines the role of external powers in Latin America in the 21st century Non traditional partners have significantly increased their political and economic engagement with the continent Five key questions arise why has this surge taken place when has it happened in which regions and sectors is it mostly felt what is the Latin American perspective and what are the actual results The book analyses 16 case studies the United States the European Union China Russia Japan Canada India Turkey Iran Israel South Korea Taiwan Indonesia the ASEAN countries South Africa and Australia The spectrum of existing explanations in the literature spans from neo extractivism to South South cooperation This volume places them in context and proposes a more multifaceted approach stressing a combination of systemic factors and internal dynamics both in Latin America and in the external partner countries Geopolitics still matters and so do nation states their interests and leaders Ultimately this surge in engagement has largely reproduced past patterns Are new partners that different from the old ones

homeland security **Getting to Yes with China in Cyberspace** Scott Warren Harold, Martin C. Libicki, Astrid Stuth Cevallos, 2016-03-22 This study explores U S policy options for managing cyberspace relations with China via agreements and norms of behavior It considers two questions Can negotiations lead to meaningful agreement on norms If so what does each side need to be prepared to exchange in order to achieve an acceptable outcome This analysis should interest those concerned with U S China relations and with developing norms of conduct in cyberspace Paradise Lost , 2022-06-13 Paradise Lost Race and Racism in Post apartheid South Africa is about the continuing salience of race and persistence of racism in post apartheid South Africa The chapters in the volume illustrate the multiple ways in which race and racism are manifested and propose various strategies to confront racial inequality racism and the power structure that underpins it while exploring how through a renewed commitment to a non racial society apartheid racial categories can be put under erasure at exactly the time they are being reinforced **Indian Business Case Studies Volume I** Sandeep Pachpande, Asha Pachpande, J A Kulkarni, 2022-06-20 It has been decades since many business schools outside India adopted the case study methodology for teaching almost all branches of management studies This trend has been seen in India too where top management institutes have implemented the case study based methodology as an important pedagogical tool in business education The major issue in India however is a severe shortage of Indian case studies through which business schools can provide industry insights to students This volume fills that gap It has twenty Indian cases related to different aspects of business management The cases cover some of the prominent disciplines of management like marketing finance human resource management strategy management operations management accounting and mergers and acquisitions These cases best serve the purpose of adoption of case methodology in classroom teaching or online lecture sessions for the faculty and students of business management *Terrorism, Inc.* Colin P. Clarke, 2015-06-01 This in depth historical analysis of terrorism investigates the major funding streams of terrorists insurgents guerrillas warlords militias and criminal organizations throughout the world as well as the efforts of the international community to thwart their efforts Terrorist financing is an ongoing game of creating concealing and surreptitiously utilizing funds This intriguing book considers every facet of guerrilla funding from how activities are financed to what insurgents do with the revenue they generate to the range of countermeasures in place for deterring their moneymaking activities Case studies prompt an analysis of past government responses and inform recommendations for countering irregular warfare worldwide Author Colin P Clarke presents the business side of terrorism taking a look at the cash producing ventures he labels gray activities such as diaspora support charities fraudulent businesses front companies and money laundering as well as dark activities including kidnapping for ransom robbery smuggling trafficking and extortion He considers the transnational efforts to stop terrorist activities from wiretaps and electronic surveillance to financial sanctions and the freezing of funds and accounts and points to the emergence of interagency task forces for detaining and destroying the operations of major criminal organizations across the

globe **Oral History and Business** Robert Crawford, Matthew Bailey, 2022-08-22 This book introduces business historians to oral history methodologies and approaches Using four distinct oral history case studies to explore ideas of disruption and continuity in business history over the second half of the twentieth century Robert Crawford and Matthew Bailey demonstrate how critical engagement with oral history approaches serves to enhance and enliven business history as well as its relationship with other historical fields The focus on disruption is used to encompass a broad set of processes such as technological change the impact of external forces informal business networks social constructions of gender knowledge transfer firm adaptability and cultural change The use of oral histories to interpret responses to disruption in the past and to explore the features characterising business continuity provides an opportunity to consider the human dimensions subjective experiences and personal insights of workplace firm and industry change It also sheds light on the ways that people and firms respond to disruptive forces through innovation and adaptation both successfully and unsuccessfully This succinct and accessible account is essential reading for business historians with little experience in using oral history as well as those looking to gain deeper insights from their oral history data *Indian Business Case Studies Volume VII* Varsha Parab, Ramesh Mahadik, Diksha Tripathi, 2022-06-16 It has been decades since many business schools outside India adopted the case study methodology for teaching almost all branches of management studies This trend has been seen in India too where top management institutes have implemented the case study based methodology as an important pedagogical tool in business education The major issue in India however is a severe shortage of Indian case studies through which business schools can provide industry insights to students This volume fills that gap It has twenty Indian cases related to different aspects of business management The cases cover some of the prominent disciplines of management like marketing finance human resource management strategy management operations management accounting and mergers and acquisitions These cases best serve the purpose of adoption of case methodology in classroom teaching or online lecture sessions for the faculty and students of business management **Europe's Eastern Crisis** Richard Youngs, 2017-03-24 In recent years a series of crises have erupted on the European Union's eastern borders Russia's annexation of Crimea and the subsequent conflict in eastern Ukraine presented the EU with a major foreign policy challenge in both Ukraine and across the other countries of the so called Eastern Partnership In response the EU has begun to map its own form of liberal redux geopolitics that combines various strategic logics This book traces the effect of these crises on the foreign policy of the EU examining the changes in policies towards the countries on its eastern borders the EU's review of the Eastern Partnership as well as the EU's relations with Russia overall It goes on to uncover whether the EU has contained the crisis or if it has set up new conditions for more instability in the future Vladimir Putin and Russia's Imperial Revival David E. McNabb, 2016-02-12 Discerning the early stages of the rebirth of a new Russian empire from the ashes of the Soviet Union Vladimir Putin and Russia's Imperial Revival argues that Russia's recent overtly aggressive actions and foreign policy doctrines have signaled a renewal of the Cold War

At the least Russia's actions represent the potential for renewal. This book explains these developments in a historical context. The book begins by describing Russia's initial policy of rapprochement after the collapse of the Soviet Union and its development into a foreign policy of threatened or actual armed aggression. It identifies today's Russia as a nation determined to re-establish itself as a political and military force. As a prominent figure in the development and continuation of its current foreign policy, Vladimir Putin plays a central role in the topics covered. Previous literature often treats Putin as an individual phenomenon, examining his connections to corruption or the secret police, but here David E. McNabb examines him as the latest in a long history of Russian despots who followed similar expansionist policies. He details some of the tactics Putin uses to instill fear and dominate political policies of republics newly independent from Russia. These tactics include the use of energy as a weapon, cyber terrorism, and military support for ethnic Russian separatists in other sovereign nations, most recently exemplified by Russia's annexation of Crimea from Ukraine via armed invasion. In an attempt to demystify Russia's re-emergence as an international political force, Vladimir Putin and Russia's Imperial Revival grounds its analyses in history. It explores as far back as the establishment of the first Russian empire and regards Putin as a leader determined to establish a fifth imperial incarnation. It provides a nuanced understanding of how Russia arrived at its current position through recent and distant internal and international events.

Open for Business Richard Feinberg, 2016-06-14. An expert guide to Cuba's economic opening to the outside world. Ninety miles across the Straits of Florida, an exciting new revolution is afoot. This time instead of guerillas marching down the streets of Havana, it is a global economy that will upend Cuba. Now opening to the world, what new forms is this nascent economy likely to take? **Open for Business: The New Cuban Economy**. Richard E. Feinberg's new book examines the Cuban economy as it makes its early steps into developing a more dynamic market economy. He examines key issues like the role foreign investors will play, how Cubans will forge a path to entrepreneurship, and the roadmaps suggested by other emerging economies. As Cuba's economy awakens from the post-Castro dream, it will do so with a flavor that is uniquely Cuban. Feinberg's book, enriched by interviews and in-depth field research conducted over the last five years, speaks both to Cuba's legacy and to its new horizons on the world stage.
