

An aerial photograph showing a significant flood event. A wide, muddy brown river flows through the center of the image. To the left of the river, there is a line of green trees. To the right, there are green agricultural fields. In the center, a cluster of buildings, including a large white warehouse-like structure, is partially surrounded by floodwater. A road or path runs diagonally across the upper part of the image. The overall scene depicts a rural area affected by flooding.
