Fatal Circle Linda Robertson, 2010-06-29 Destiny sucks There was a time when Persephone Alcmedi thought her life was hard to manage what with wondering how to make sure she took adequate care of both her grandmother and her foster daughter Beverley whether she'd end up in the unwanted position of high priestess of a coven and whether her werewolf lover Johnny would resist the groupies who hang around his band Lycanthropia But that was before the fairies started demanding that Seph's frightening unpredictable ally the ancient vampire Menessos be destroyed or the world will suffer Seph and Menessos are magically bonded but that's a secret she dares not reveal to her fellow witches lest they be forced to reject her and forbid her use of magic And despite the strain this casts on her relationship with Johnny as a showdown with the fairies nears she and Menessos badly need the werewolves as allies Life death and love are all on the line but when destiny is calling it doesn't help to turn away With the individual threads of their fates twisted inextricably together can Seph Johnny and Menessos keep the world safe from fairy vengeance
