Fear and Loathing in Las Vegas Hunter S. Thompson, 1998-05-12 50th Anniversary Edition With an introduction by Caitly Weaver acclaimed New York Times journalist This cult classic of gonzo journalism is the best chronicle of drug soaked addle brained rollicking good times ever committed to the printed page It is also the tale of a long weekend road trip that has gone down in the annals of American pop culture as one of the strangest journeys ever undertaken Also a major motion picture directed by Terry Gilliam starring Johnny Depp and Benicio del Toro **Fear and Loathing in Las Vegas and Other**

**American Stories** Hunter S. Thompson, 1998-05-05 The 50th anniversary edition of the classic savagely comic account of a trip to Las Vegas that came to represent what happened to America in the 1960s and a founding document of gonzo journalism featuring the original artwork by Ralph Steadman and a new introduction by Caitly Weaver First published in Rolling Stone magazine in 1971 Fear and Loathing in Las Vegas is told through Hunter S Thompson s story of an assignment he undertook with his attorney to visit Las Vegas and check it out The book stands as the final word on the highs and lows of that decade one of the defining works of our time and a stylistic and journalistic tour de force As Christopher Lehmann Haupt wrote in The New York Times it has a kind of mad corrosive prose poetry that picks up where Norman Mailer s An American Dream left off and explores what Tom Wolfe left out This 50th anniversary Modern Library edition features Ralph Steadman s original drawings a new introduction by New York Times writer Caitly Weaver and three companion pieces selected by Thompson Jacket Copy for Fear and Loathing in Las Vegas Strange Rumblings in Aztlan and The Kentucky Derby Is Decadent and Depraved **Hunter S. **Hunter S. Thompson** Eric Boudreaux, 2011-12-20 Quicklets Learn more Read less Born in Louisville Kentucky in 1937 Hunter S Thompson was a consummate journeyman wandering the globe in search of God knows what He spent the early part of his career writing about sports In fact his personality can be closely linked to another Louisville product of the same era Muhammad Ali Both men fueled by a certain sense of self love spat in the face of authority decorum and everything else that mid century America held dear True to the ethos of Gonzo Journalism Fear and Loathing is loosely based on two trips pun intended Thompson took with an attorney Oscar Zeta Acosta to Las Vegas in 1971 Thompson a professional writer

closely associated with some of the country's biggest magazines was sent by Sports Illustrated to write an elongated picture caption for the Mint 400 one of the world's most lucrative off road races A few months later Thompson was sent to Las Vegas again to cover a drug conference held by the National District Attorneys What was supposed to be a couple hundred words about an off road race turned into a manuscript nearly ten times the size The work was rejected outright by Sports Illustrated but accepted by Rolling Stone Thompson notoriously reluctant to review and revise his own works completed five drafts of the book before its publishing Fear and Loathing was met by much critical acclaim It was thought by Thompson's contemporaries to be one of the best books ever written about the 1960s drug culture      **Better Than Sex** Hunter S. Thompson, 1994 Hunter S Thompson is to drug addled stream of consciousness psycho political black humor what Forrest Gump is to idiot savants The Philadelphia Inquirer Since his 1972 trailblazing opus Fear and Loathing on the Campaign Trail Hunter S Thompson has reported the election story in his truly inimitable just short of libel style In Better than Sex Thompson hits the dusty trail again without leaving home yet manages to deliver a mind bending view of the 1992 presidential campaign in all of its horror sacrifice lust and dubious glory Complete with faxes sent to and received by candidate Clinton's top aides and 100 percent pure gonzo screeds on Richard Nixon George Bush and Oliver North here is the most true blue campaign tell all ever penned by man or beast Thompson delivers yet another of his trademark cocktail mixes of unbelievable tales and dark observations about the sausage grind that is the U S presidential sweepstakes Packed with egocentric anecdotes musings and reprints of memos faxes and scrawled handwritten notes Memorable Los Angeles Daily News What endears Hunter Thompson to anyone who reads him is that he will say what others are afraid to He is a master at the unlikely but invariably telling line that sums up a political figure In a year when all politics is to much of the public a tendentious and pompous bore it is time to read Hunter Thompson Richmond Times Dispatch While Tom Wolfe mastered the technique of being a fly on the wall Thompson mastered the art of being a fly in the ointment He made himself a part of every story made no apologies for it and thus produced far more honest reporting than any crusading member of the Fourth Estate Thompson isn't afraid to take the hard medicine nor is he bashful about dishing it out He is still king of beasts and his apocalyptic prophecies seldom miss their target Tulsa World This is a very very funny book No one can ever match Thompson in the vitriol department and virtually nobody escapes his wrath The Flint Journal      *Fear and Loathing in Las Vegas* Hunter S. Thompson, 2017-12-25 We were somewhere around Barstow on the edge of the desert when the drugs began to take hold I remember saying something like I feel a bit lightheaded maybe you should drive And suddenly there was a terrible roar all around us and the sky was full of what looked like huge bats all swooping and screeching and diving around the car which was going about a hundred miles an hour with the top down to Las Vegas And a voice was screaming Holy Jesus What are these goddamn animals Then it was quiet again My attorney had taken his shirt off and was pouring beer on his chest to facilitate the tanning process What the hell are you yelling about he muttered staring up at the sun with his eyes

closed and covered with wraparound Spanish sunglasses Never mind I said It s your turn to drive I hit the brakes and aimed the Great Red Shark toward the shoulder of the highway No point mentioning those bats I thought The poor bastard will see them soon enough It was almost noon and we still had more than a hundred miles to go They would be tough miles Very soon I knew we would both be completely twisted But there was no going back and no time to rest We would have to ride it out Press registration for the fabulous Mint 400 was already underway and we had to get there by four to claim our sound proof suite A fashionable sporting magazine in New York had taken care of the reservations along with this huge red Chevy convertible we d just rented off a lot on the Sunset Strip and I was after all a professional journalist so I had an obligation to cover the story for good or ill The sporting editors had also given me 300 in cash most of which was already spent on extremely dangerous drugs The trunk of the car looked like a mobile police narcotics lab We had two bags of grass seventy five pellets of mescaline five sheets of high powered blotter acid a salt shaker half full of cocaine and a whole galaxy of multi colored uppers downers screamers laughers and also a quart of tequila a quart of rum a case of Budweiser a pint of raw ether and two dozen amyls All this had been rounded up the night before in a frenzy of high speed driving all over Los Angeles County from Topanga to Watts we picked up everything we could get our hands on Not that we needed all that for the trip but once you get locked into a serious drug collection the tendency is to push it as far as you can The only thing that really worried me was the ether There is nothing in the world more helpless and irresponsible and depraved than a man in the depths of an ether binge And I knew we d get into that rotten stuff pretty soon Probably at the next gas station We had sampled almost everything else and now yes it was time for a long snort of ether And then do the next hundred miles in a horrible slobbering sort of spastic stupor The only way to keep alert on ether is to do up a lot of amyls not all at once but steadily just enough to maintain the focus at ninety miles an hour through Barstow

Summary of Hunter S. Thompson's Fear and Loathing in Las Vegas Everest Media,2022-04-15T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I was a professional journalist and I had been given 300 in cash by the sporting editors of a magazine in New York I had spent most of it on extremely dangerous drugs The only thing that worried me was the ether There is nothing in the world more helpless and depraved than a man in the depths of an ether binge 2 My attorney and I were hitchhiking to Las Vegas We were looking for the American Dream We were going to cut the boy s head off and bury him somewhere if he heard us talking about the Manson family 3 I was extremely important for the meaning of our journey to be made clear I was certain that the Mint 400 was the richest off the road race for motorcycles and dune buggies in the history of organized sport 4 I told the lieutenant that the bike was two thousand cubic inches developing two hundred brake horsepower at four thousand revolutions per minute on a magnesium frame with two styrofoam seats and a total curb weight of exactly two hundred pounds

of copies each year and previously unpublished manuscripts of his still surface for publication While Thompson never claimed to be a great writer he did invent a new literary style gonzo that has been widely influential on both literature and journalism Though Thompson and his work engendered a significant even rabid following relatively little analysis has been published about his writing In Hunter S Thompson Fear Loathing and the Birth of Gonzo Kevin T McEneaney examines the intellectual background of this American original providing biographical details and placing Thompson within a larger social and historical context A significant portion of this book is devoted to the creation reception and legacy of his most important works particularly Fear and Loathing in Las Vegas In addition to discussing influences on Thompson s work including Homer Nietzsche Spengler Melville Twain Hemingway Fitzgerald Kerouac and others as well as the writers Thompson influenced McEneaney also explains the literary origins of gonzo With new biographical information about Thompson and an examination of his writing techniques this book provides readers with a better understanding of the journalist and novelist A look beyond the larger than life public persona Hunter S Thompson Fear Loathing and the Birth of Gonzo will be of great interest to fans of Thompson s work as well as to those wanting to know more about gonzo journalism and literature *Fear and Loathing at Rolling Stone* Hunter S. **Savage Journey** Peter Richardson, 2022-01-25 A superbly crafted study of Hunter S Thompson s literary formation achievement and continuing relevance Savage Journey is a supremely crafted study of Hunter S Thompson s literary formation and achievement Focusing on Thompson s influences development and unique model of authorship Savage Journey argues that his literary formation was largely a San Francisco story During the 1960s Thompson rode with the Hell s Angels explored the San Francisco counterculture and met talented editors who shared his dissatisfaction with mainstream journalism Peter Richardson traces Thompson s transition during this time from New Journalist to cofounder of Gonzo journalism He also endorses Thompson s later claim that he was one of the best writers using the English language as both a musical instrument and a political weapon Although Thompson s political commentary was often hyperbolic Richardson shows that much of it was also prophetic Fifty years after the publication of Fear and Loathing in Las Vegas and more than a decade after his death Thompson s celebrity continues to obscure his

literary achievement This book refocuses our understanding of that achievement by mapping Thompson's influences probing the development of his signature style and tracing the reception of his major works It concludes that Thompson was not only a gifted journalist satirist and media critic but also the most distinctive American voice in the second half of the twentieth century
