**Galen and the Forest Lord** Eden Winters, 2013-12 Long long ago in a faraway land men were men except when they were wolves meddlesome aunts were meddlesome aunts evil opportunists were evil opportunists and heroes weren't always the sharpest swords in the scabbard By the time Galen Olaf kin woke up and smelled the spiced ale it was too late and he never finished the wicked deed for which he stood trial Banished from his home he flees to the forest taking nothing but the unwanted infant he's rescued Perhaps the legends are true and the forest lord will take them both in The lord is said to give sanctuary to outcasts but none of the stories mention the naughty tempting things he whispers or that he shares Galen's forbidden passions Lord Erik rolls his eyes at the prophecy that says when human hands deliver a babe to the forest he'll meet the mate destined to reunite forest folk with humankind What interest has he in a child The handsome human who brings the babe is another matter entirely and little things like destiny and his own bumbling won't keep Erik from claiming Galen as his own *The Legend of Safehaven* R. A. Comunale, 2008-11-01 The sequel to R A Comunale's highly praised first novel *Requiem for the Bone Man* follows the continuing story of Dr Robert Galen and his friends Robert and Nancy Edison as they adjust to semiretirement on a mountaintop in northeastern Pennsylvania raising and caring for the three orphaned Hidalgo children they rescued and adopted Along the way the six residents of the mountain interact with a variety of individuals human and animal who also are seeking sanctuary and even redemption on the property that becomes known as Safehaven In ways mystical magical and even heroic Comunale once again envelops readers in a fictional world that is often harrowing but always captivating *Monstrum* Kat Ross, 2018-06-15 In the third volume of the Fourth Talisman series the hunt is on for the three daevas whose powers saved the world once before On the White Sea realm of smashers and sea monsters a ship is carrying Nazafareen and Darius to the Isles of the Marakai where the wise woman Sakhet ra katme has guarded the secret of the talismans for centuries But another is searching too a daeva born in the brutal prison of the Kiln who plans to use the talismans to free the Vatrass and their mad king When their paths collide at the emperor's lavish palace in Tjanjin Nazafareen and Darius face their deadliest and most cunning foe yet In the mountain fastness of Val Moraine the Pythia's minions are on the scent of another talisman this one from the Danai clan Trapped behind a thick wall of ice everyone's going slightly mad the perfect cauldron of suspicion and betrayal for Thena who sees a chance to redeem her failure and bring the talisman back to Delphi Then she'll be free to indulge her twisted obsession with Darius and make him pay And in Samarqand Javid is drawn into the treacherous currents of a royal succession When the old king dies and his son takes the throne the depths of the prince's depravity become clear A journey north reveals the source of the spell dust he's addicted to and leaves Javid with an impossible choice Praise for *Monstrum* The plot is complex and rich every turn is filled with either action love or lies Kat Ross writes binge worthy fantasy stories Get *Nocturne* and *Solis* and *Monstrum* lock yourself away somewhere with lots of snacks and read them I Love a Good Book Ross keeps all of her narrative plates
