## **Grade 4 Fantasy Books:**

**Reading Globally, K-8** Barbara A. Lehman, Evelyn B. Freeman, Patricia L. Scharer, 2010-09-20 In *Reading Globally* K-8 the authors make the case for why it is necessary to be globally literate and multiculturally aware in today's shrinking world and they provide the tools teachers need to incorporate appropriate reading selections into primary and secondary school classrooms. By using books from or about other countries teachers empower students to view the world in a more positive manner, enriching and broadening their students' lives and ultimately preparing them for life in a global economy and culture. This reader-friendly resource guides teachers and reading programme coordinators in selecting quality books for their classrooms incorporating global literature into different content areas and facilitating the discussions that follow. Practical guidance is provided on how to integrate the reading of global texts across the curriculum with specific application to language arts, social studies, science, maths and the arts. Locate and evaluate the authenticity and literary merit of potential books, avoiding those that depict stereotypes. Get started with an annotated list of children's books, samples of student work and classroom vignettes from teachers. **I'm Lovin' Lit Practice & Assess: Grammar, Grades 4 - 5** Erin Cobb, 2018-07-02 The *I'm Lovin' Lit Practice Assess Grammar* book for grades 4-5 is the perfect addition to any language arts curriculum and covers essential grammar skills. Students practice and master their knowledge of sentence types, parts of speech and punctuation rules with a variety of activities. With this book teachers can actively gauge their students' understanding with post-lesson assessments while also being confident that each student has mastered essential grammar skills. The *I'm Lovin' Lit* series features comprehensive lessons and activities that are created to reach a variety of learning styles. Targeted for upper elementary and middle school students, this series offers teachers an essential tool to help them teach engaging subject matter with confidence. Designed to work with an existing curriculum, *I'm Lovin' Lit* includes comprehensive lessons and activities. **Genre-Based Strategies to Promote Critical Literacy in Grades 4-8** Danielle E. Hartsfield, Sue C. Kimmel, 2019-10-21 Draws on critical and radical change theory to equip both aspiring and practicing library and teacher candidates with practical, research-based ideas for enacting critical literacy practices in middle grade libraries and classrooms. *Genre-Based Strategies to Promote Critical Literacy in Grades 4-8* provides strategies and lesson plans with additional resources and tools for school librarians and teachers to engage middle grade students in reading children's literature through a critical literacy lens. To be critically literate readers and thinkers, students must learn to question what they read, asking themselves who wrote the text, why the text was written, and how the text positions its readers and others. Teaching students how to read from a critical literacy stance is a timely and relevant practice in a world in which text is available instantly and on nearly any mobile device. In many cases, preparation programs for school librarians and teachers do not teach candidates how to incorporate critical literacy practices in library and classroom settings. This book provides both pre-service and in-service school librarians and teachers with that professional development and guidance for teaching
