existence and human connection in favor of a metaphysical ideal Despite his idealism the inexorable current of history dooms him from the beginning With a beautifully designed cover and professionally typeset manuscript this edition of Dmitriy Merezhkovsky s The Death of the Gods is a classic of Russian literature reimagined for modern readers Travels Round the World Daniel Tyerman, George Bennet, James Montgomery, 2025-07-27 Reprint of the original first published in 1841 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Praise Faith to God's Glory Victor Hadnot, 2002-10 Praise Faith To God's Glory is a Present State of Russia Weber, 1722 special collection of short stories written in the sub genre of Christian Science Fiction Too often in the past Christians who like to read science fiction have had to deal with the obvious put downs when it came to having faith in God This book and these short stories were written to address this issue In the grandness of things it is ridiculous to believe that all of the wonders of the universe simply happened Chaos theory suffers from its own big bang and who better to write speculative fiction than someone who believes in the Ultimate Being These stories express what Christians have known since Jesus Christ walked with us and expresses what modern day physics seeks so hard to discover the unified theory but God is One Christians have had the unified theory of the universe and all creation since the beginning This is science fiction with a Christian attitude North Indian Notes and Oueries ,1894 The Sunday Magazine Thomas Guthrie, 1885 United **Athenaeum and Literary Chronicle** ,1857 States Medical Investigator, 1879
