**If We Only Knew** Wayne Kniffen,2022-08-29 Remaining ignorant about something means you don t have to worry about it feel responsible for it or get upset by it That may be true in some instances but not when it comes to knowing the truth about God s word In fact being ignorant about your new creation life that you have in Christ can be very costly This is the main reason so many believers are living defeated lives One of the most important questions any believer in Christ should ask themselves is this What is it that I don t know that I don t know The author contends that if we say that we believe right but we are behaving wrong we are living in deception When we start believing right especially when it comes to who we are in Christ we will start behaving right He also emphasizes that we don t do good things to become who we will be in Christ We do the right things because of who we already are in Christ

*If the King Only Knew* Lisa Jane Graham,2000 In May 1758 a bailiff named Jean Moriceau de La Motte was arrested for carrying seditious flyers and uttering mauvais discours against Louis XV When he was questioned at the Bastille over the next several months La Motte was unequivocal in his loyalty to the king but his insistence failed to convince the police and probably hurt his case more than would have a simple

admission of guilt He was sentenced to be hanged on the Place de Grève after making his amends on the steps of Notre Dame His punishment seemed severe if not unwarranted to an increasingly literate and informed Parisian populace that found censorship hard to support either theoretically or practically in the face of intellectual and cultural changes wrought by the Enlightenment By looking at the police files for cases such as La Motte's Lisa Jane Graham uncovers fascinating clues to the conflicting attitudes of eighteenth century French subjects toward royal authority Individuals like La Motte often failed to see the subversive implications of their words and protested their fidelity to the king in impassioned language The crown's inability or refusal to accommodate a wider range of political speech turned the opinions of these individuals into bitter grievances and sometimes crimes Ironically the decision to repress seditious speech not only alienated essentially loyal French men and women by marking them as opponents of monarchical authority it strengthened their sense of their own autonomy and legitimacy as social actors The complex and surprising web of motivations lying at the heart of such loyalty as revealed in the police files Graham examines undermines some deeply rooted assumptions about the Enlightenment and its links to modernity Graham's book presents the eighteenth century as the critical historical moment for studying how the premodern virtue of loyalty gave way to new ideas and vocabularies about the relationship between individuals and government If the King Only Knew attests to the powerful emotional and ideological conflicts this difficult transition unleashed

**Dad, If You Only Knew...** Josh Weidmann, James Weidmann, 2011-11-02 Listen Up Dads Your Teen Is Talking to You As exasperating as parenting can be during these volatile years your teen is depending on you for steady faithfulness love and guidance And because teens often find words elusive and expression difficult they probably haven't told you the things they wish you somehow automatically knew So let Dad If You Only Knew be your guide Josh Weidmann just out of the teen years himself joins his father James to help dads understand where their kids are coming from It's a messy world they live in and meeting them in it is no simple task But knowing these essentials now makes fatherhood eight times easier Welcome to Your Teen's World It doesn't matter if you have the most picture perfect ideal in every way teen or one who's in full swing rebellion That teen you love is a riddle wrapped in a mystery No father can know what his teen is really thinking That's why youth communicator Josh Weidmann teamed with his father Jim to help you bridge the gap In Dad If You Only Knew you'll get an open honest glimpse inside the teen mind Josh's extensive research combined with pointed direction from a father's heart provide you with the practical guidance you need to establish a healthy thriving father teen relationship It's one you desire your teen needs and you both can't afford to miss Story Behind the Book The resounding cry of teens for their fathers rings in my ear I have been speaking to youth for five years and the greatest void I see in teens' lives is the one left by their dad I am only twenty three years old myself and to this day I can say that my dad is the most influential man in my life Because of his impact I have asked him share in this book We have written this message in hopes of helping dads reengage in the vital father teen relationship Josh Weidmann

**If They Only Knew; but God** Angel Jones, 2016-03-14 This true story is

about a testimony of how keeping focus and faith will have a positive outcome It is good to know that your higher power will keep you encouraged until the time comes for the victory celebration This information will make you gasp in the fact of how some people with power use their weight to push others around You will have emotions ranging from happiness to anger You will cry when they leave the hospital and smile when they get to go home This story will inspire you to stand on what you believe and trust God for what you do not understand     **If I Only Knew...** Gigi Scott,2012-11 If I Only Knew Four words to describe the premise of life Life s twists turns and navigation through bumpy roads could be avoided if only we knew that If I Only Knew is the story of three generations all female all Jewish spanning over three continents From the late 1800s to present day 2012 Gigi s story will take you through an emotional journey by way of a time capsule of some sort This autobiography covers the story of a Jewish mother born in Slovakia July 4 1920 who served in the British military and unbeknown to her was used by the British to work as a spy If she only knew Would she have made different choices If she only knew that escaping the Nazi regime and serving time in the military in Egypt would save her from subsequent years of oppression under the communist regime would she have made the ill fated decision to return to Slovakia post World War II If Gigi s mother only knew that the note left under her door could lead her to a bridge that was blown up minutes later would she have followed the path her lover tried to lead her on If Gigi s mother only knew that the decisions she made would affect Gigi s life and bring upon her abuse incest betrayal of love and country would she have made the same decisions At thirteen Gigi made the decision to escape the newly Russian occupied Slovakia to the country she thought would be her saving grace Israel Instead of a place of refuge the Jewish state that was supposed to protect Gigi ended up being one of the biggest betrayals of her life one of many If Gigi only knew that getting on the plane that fateful day would lead her to experience a different kind of holocaust a personal one would she have gotten on that plane If Gigi only knew that her choice in husbands would land her in an insane asylum cause her to attempt to leave this world contact the FBI to protect her life use an assumed name and ultimately inflict so much pain on her daughter would she have married these men In short Gigi believes in destiny She believe that the travails we experience are purposeful Gigi believes that we are exactly where we are today because it is what is meant to be So despite it all the answer to the proverbial question of if I only knew would I Yes Gigi would do it exactly as she had Mistakes pain and all It is all happenstance Part of our journey through life It is what you do with these life lessons that matter It is Gigi s hope that her story of survival will embolden you to take control of any part of your life you feel is out of balance no matter if it is financial emotional or mental     **If She Only Knew** Ronny Myles,2012-08 My reason for writing this book With the breakup of families children being born out of wedlock hearts being broken and people shying away from relationships due to hurt I wanted to reverse the curse and bring some healing and restoration to men women and ultimately the entire family Being an African American man and having interviewed many men and women regarding relationships and the turmoil they go through I became inspired to share personal experience research

and biblical principles that will shed new light on an all too common problem Relationships are only complicated because we don't understand our role reason and purpose for men and women coming together A lot of hurt and anguish takes place when you allow someone to get into your personal space but there are ways to avoid that pain Pay attention to the warning signs because that instinct was given to you for a reason Apply the principles written in this book and watch the difference it makes in your life You can have the best if you don't settle for less
