

- "since" : conjunction : shows the passage of time. Time had passed since the first time he got the message but it was still close to his heart.

Times since have said,

- Time : personification : time had said this to him.
- There were numerous occasions that he had received the message that life wasn't going to be easy. Time had given him this wisdom and the poet was thankful for that.

In that mysterious voice you shed

- "you" : referring to the world

- He connects this voice to divinity / a higher power - conflating the world with God.

From clouds and hills around:

- "sky, clouds, leaze, hills" : references to the elements of nature that suggests a higher power /divinity perhaps.
- "You shed from clouds and hills around" : shows how life itself is reflected in nature which speaks to the man every day, reminding him of his mortality.
- ":" : column : suggests what the world tells him. The world was going to talk to him now. The entire poem is in the form of a conversation/dialog.

Many have heard his message

- The poet is telling the world that it must have brought him something that would make his responsibilities to men all possible.

Many will never know

- Many have tried to understand all possible things
- "Many will never know" : because, although the poet has received the message
- "Many" : repetition : emphasis.

Many have seen things that cannot be seen

- There are a few people who have shown signs that they received the message - a supernatural ability. They showed that they had reached a point where they could see things that were not visible to the rest of the world.

Many things happen underground

- Death, war
- "Many things happen underground" : metaphor : death
- "Many things happen underground" : death, war, things that are not visible to the rest of the world but happen in the world of the dead.

Many will never know

- The poet is telling the world that it must have brought him something that would make his responsibilities to men all possible.
