**Fidei** Pope Francis,2013      **Lumen Fidei** Pope Francis,2013 Pope Francis offers a profound and compelling reflection on humanity's need for faith in his first encyclical *Lumen Fidei* which completes the work of his predecessor Pope Benedict XVI. Without the light of faith he writes all other lights begin to dim. Speaking of those today who view faith as a kind of darkness or only to be sought when reason fails the Holy Father says faith sees things as Jesus himself sees them. Far from divorcing us from reality our faith in Jesus enables us to grasp reality's deepest meaning and to see how much God loves this world. Book jacket

The handing on of the faith has become a deep crisis and a problematic today and has turned to be a burning issue for the contemporary Church. What is necessary in the contemporary culture is to develop a counter culture that passionately understands the love of God and sharing it passionately and joyfully with the fellow humans and the world around us. We need a counter culture of sharing the truth and love which is God. Pope Francis message is none other than this. He exhorts for a missionary renewal in the Church and to have a new theological outlook that leads the Church to be a Church of the poor a counter culture of compassionate and tender love. When it comes to India the Church a minority in number faces a lot of challenges in its practice and proclamation of faith. Globalization and the new economic reforms badly affected the Indian culture which is turning to be secular as well as fundamentalist. With a weak presence in many areas the Church in India is struggling to make its presence felt in the nation. Here the author is making an attempt to understand the joyful sharing of the Gospel in the Indian context in the light of the first two documents of Pope Francis. The author discusses the challenges and ways to face the challenges to be truthful by being in love and faith. It will provide a clear understanding to live the faith relying upon God's providence and mercy and will enable the Church to work for the holistic development of humanity      **On Faith** Pope Francis,2019-02-15 2020 International Book Awards Winner Religion Christian Inspirational 2020 Illumination Book Awards Silver Catholic 2020 Independent Press Awards Winner Christian 2019 Independent Press Awards Winner Religion Non Fiction Read the inspiring words of Pope Francis to discover the transforming power of faith.
