Lungile Nursing School Where About:

Winnie & Nelson Jonny Steinberg, 2023-05-10 Only Steinberg could have written a book in which Winnie and Nelson can appear both larger than life and all too human What a book What an achievement Jacob Dlamini historian and author One of the most celebrated political leaders of the twentieth century Nelson Mandela has been written about by many biographers and historians But in one crucial area his life remains largely untold his marriage to Winnie During his years in prison Nelson grew ever more in love with an idealised version of his wife courting her in his letters as if they were young lovers frozen in time But Winnie every bit his political equal found herself increasingly estranged from her jailed husband's politics Behind his back she was trying to orchestrate an armed seizure of power a path he feared would lead to an endless civil war Jonny Steinberg tells the tale of this unique marriage its longings its obsessions its deceptions turning the course of South African history into a page turning political biography Winnie Nelson is a modern epic in which trauma doesn't just affect the couple at its centre but an entire nation It is also a Shakespearean drama in which bonds of love and commitment mingle with timeless questions of revolution such as whether to seek retribution or a negotiated peace Told with power and tender emotional insight Steinberg reveals how far these forever entwined leaders would go for one another and also where they drew the line For in the end both knew theirs was not simply a marriage but a contest to decide how apartheid should be fought
