

The background of the cover features several pieces of Lyman reloading equipment. On the left, there is a long-reach tool, possibly a necking die or a similar sizing tool, with a long handle and a specialized head. In the center, there is a smaller, more compact tool, possibly a trimmer or a different type of die. On the right, there is a larger, more complex machine, likely a progressive reloading press, with various components like the hopper, die head, and ejection system visible. The equipment is set against a dark, almost black background, which makes the metallic parts stand out.
