Layla felt the life leave her body, the world fading to black. Yet somehow she's still alive. And the secret she's carried her whole life, the one she's never dared to question, may be the only reason she survived. But survival comes at a cost. Now she's at the mercy of a powerful organization that has been operating from the shadows for centuries, and the Dynasty is not convinced Layla should still be breathing. They want answers. Is she a threat to their existence? A weapon they can use? Or an anomaly too dangerous to be left alive? But a power within her is awakening, one that threatens the precarious balance between alien worlds, unravelling a hidden history written in blood. A presence whispers in the back of her mind that she is something more, something the Dynasty was never meant to find. And if she can discover the truth before they do, she might have a chance at controlling her own fate. *The Unknown Dynasty* weaves contemporary fantasy, science fiction, and psychological suspense into a high-stakes mystery of hidden power, secret organizations, and the unravelling of identity when the truth is more dangerous than the lie. Uncover the secrets in *The Unknown Dynasty* before it's too late.
