Second Edition

# Solution Manual

A fighter jet is shown in flight against a blue sky with a gradient to a brownish ground at the bottom. The jet is angled upwards and to the right. Overlaid on the jet are several black lines and arrows representing aerodynamic forces and moments. A vertical line passes through the center of the jet, with a curved arrow around it indicating a moment. Another curved arrow is positioned near the nose, and a third is near the tail. The word 'Solution' is written in large red letters above the jet, and 'Manual' is written in large red letters below it.
