Hide & Seek Melbourne: Night Owl Explore Australia Publishing, 2011-02-01. According to some statistics Melbourne has more bars and nightclubs per capita than anywhere else in the world. This could be interpreted in two ways: either Melburnians are a pack of drunks or the city simply has a love affair with great drinking holes. Thankfully for all of us the latter interpretation is more on the money. Hide & Seek Melbourne Night Owl is for all locals and visitors who want to discover some intriguing places in the dark. There's something for everyone here no matter what your tastes or interests. And in all cases we've tried to make sure that you won't go broke after one night out on the town.
