SUBJECT: Notification of Debarment Action

1. On June 12, 2014, you entered Joint Base San Antonio-Lackland, Texas, without authorization to take photographs and make a broadcast. You did this after being specifically informed by the installation Public Affairs Office (PAO) that the facility you wished to film already had a media day, which you failed to attend. Furthermore, you were told that the PAO could only authorize your entrance if there was an approved and scheduled media event. The PAO specifically confirmed for you that the facility you wished to visit was not having a media event at that time and, therefore, entrance onto the installation was not authorized. Despite this information and direct instruction, you circumvented proper installation access procedures and gained unauthorized access to a secure military installation to engage in unauthorized photography and broadcast.
2. It has been determined that your actions are detrimental to the maintenance of good order and discipline, as well as to the safety and security of the installation. You are hereby put on notice that should you make unauthorized entry into any of the Joint Base San Antonio (JBSA) installations in the future, a debarment order will be issued and you will be prohibited from entering JBSA-Lackland, Randolph, Fort Sam Houston, Camp Bullis and all annexes and leaseback facilities from that point forward for a defined period of time. Should such a debarment order be promulgated, any entrance onto a JBSA installation, to include any of the aforementioned areas, will subject you to detention by security personnel for delivery to the appropriate civilian or military authorities.
3. If you fail to comply with a debarment order, you will be subject to prosecution under Title 18 of the U. S. Code, Section 1382, Entering Military, Naval or Coast Guard Property, which states: "Whoever, within the jurisdiction of the United States, goes upon any Military, Naval or Coast Guard reservation, post, fort, arsenal, yard, station or installation, for any purpose prohibited by law or lawful regulation; or, whoever reenters or is found within any such reservation, post, fort, arsenal, yard, station or installation after having been removed there from, or ordered not to reenter by any officer or person in command or charge thereof, shall be fined not more than [\$5,000.00] or imprisoned not more than six months, or both" [as amended by 18 U.S.C. § 3571(b)(6)].

*Counter-History of the Present* Gabriel Rockhill, 2017-05-04 In Counter History of the Present Gabriel Rockhill contests dismantles and displaces one of the most widespread understandings of the contemporary world that we are all living in a democratized and globalized era intimately connected by a single overarching economic and technological network Noting how such a narrative fails to account for the experiences of the billions of people who lack economic security digital access and real political power Rockhill interrogates the ways in which this grand narrative has emerged in the same historical economic and cultural context as the fervid expansion of neoliberalism He also critiques the concurrent valorization of democracy which is often used to justify U S military interventions on the behalf of capital Developing an alternative account of the current conjuncture that acknowledges the plurality of lived experiences around the globe and in different social strata he shifts the foundations upon which debates about the contemporary world can be staged Rockhill's counter history thereby offers a new grammar for historical narratives creating space for the articulation of futures no longer engulfed in the perpetuation of the present

From Red-Baiting to Blacklisting Barry B Witham, 2020-04-27 Author Barry B Witham reclaims the work of Manny Fried an essential American playwright so thoroughly blacklisted after he defied the House

Committee on Un American Activities in 1954 and again in 1964 that his work all but completely disappeared from the canon Witham details Manny Fried s work inside and outside the theatre and examines his three major labor plays and the political climate that both nurtured and disparaged their productions Drawing on never before published interview materials Witham reveals the details of how the United States government worked to ruin Fried s career From Red Baiting to Blacklisting includes the complete text of Fried s major labor plays all long out of print In Elegy for Stanley Gorski Fried depicts one of the many red baiting campaigns that threatened countless unions in the wake of the Taft Hartley Act and the collusion of the Catholic Church with these activities In Drop Hammer Fried tackles the issues of union dues misappropriation and potential criminal activities In the third play The Dodo Bird perhaps his most popular Fried achieves a remarkable character study of a man outsourced from his job by technology and plant closures Manny Fried s plays portray the hard edges of capitalism and government power and illuminate present day struggles with hostility to labor unions and the passage in several states of right to work laws Fried had no illusions about the government s determination to destroy communism and unionism causes to which he was deeply committed To Catch a Spy Tim Tate,2024-08-15 The Spycatcher affair remains one of the most intriguing moments in the history of British intelligence and a pivotal point in the public s relationship with the murky world of espionage and security It lifted the lid on alleged Soviet infiltration of British services and revealed a culture of law breaking bugging and burgling But how much do we know about the story behind the scandal In To Catch a Spy Tim Tate reveals the astonishing true story of the British government s attempts to silence whistleblower Peter Wright and hide the truth about Britain s intelligence services and political elites It s a story of state sanctioned cover up plots of the government lying to Parliament and courts around the world and of stories leaked with the intention to mislead and deceive This is a tale of high treason and low farce Drawing on thousands of pages of previously unpublished court transcripts the contents of secret British government files and original interviews with many of the key players in the Spycatcher trials it draws back the curtain on a hidden world A world where spies politicians and Britain s most senior civil servants conspired to ride roughshod over the law prevented the public from hearing about their actions and mounted a cynical conspiracy to deceive the world It is the story of Peter Wright s ruthless and often lawless obsession to uncover Russian spies both real and imagined his belated determination to reveal the truth and the lengths to which the British government would go to silence him
