Re. Letter of Mental Health Fitness for Mr. [Name] to Ascertain His/Her Working Position

Dear Sir/Madam,

I am Dr. [Name of the Psychiatrist] from [Name of the clinic], [city], [state]. I am writing this letter after the complete examination of Mr. [name] on mental health grounds. I have been asked by the federal department of intelligence services to confirm the mental health fitness of the mentioned client.

I conducted three discussion sessions with the client. One of them was a live session done for basic screening. The other two sessions were pivotal and showed burgeoned results for designing the final report for the client.

My first session dated [date] showed his verbal clarity and unambiguous thought structure. His communication and clarity of pronunciation are up to the mark. According to the Assistant Speech Therapist of the clinic, his communication lacks ambiguity to an upper mark but it does not halt clarity of thoughts and power of decision-making.

In the second session dated [date], it has been clear that the client does not possess any mental disorder, depression, marks of trauma, PTSD, drug addiction, post-addiction impacts, temperamental imbalance, hormonal imbalance, and other acute disorders.

I hereby state that the above-mentioned reported statements are fact-based and derived through proper instruments of mental illness assessment and evaluation techniques. However, different models and theories were applied to conduct the required tests.

In case of any queries, please call me at [phone] or write to me at [email]. Great care has been taken while conducting the test, however, errors and omissions are expected, therefore, this letter does not have a legal position and does not accept any notices on legal grounds.

Thank you for considering our services for the screening process.

Regards
