Cab and Chassis Vocational Reference Guide

General Information

This manual is a source of basic information for body and equipment manufacturers, and dealers who install their products on Freightliner Heavy Duty truck chassis. Information on brake systems, electrical circuits, and chassis layout is included. This information is not intended for use by anyone who does not have substantial technical expertise in the design and manufacture of motor vehicles and motor vehicle equipment.

The information in this manual is believed to be accurate to the best of our knowledge at the time this manual was approved for publication. The accuracy is not guaranteed. The information contained in the manual is general and nothing contained herein should be regarded as providing specific or comprehensive instructions for the completion of a particular vehicle, or as authorization by Freightliner Trucks of the assembly, modification, or alteration of any particular vehicle, whether delivered by Freightliner Trucks in complete or incomplete state of manufacture. Representations regarding the compliance of any Freightliner incomplete vehicle to any rule, regulation, or standard issued pursuant to the National Traffic and Motor Vehicle Safety Act or Canadian Motor Vehicle Safety Act is set forth only on the incomplete vehicle certificate accompanying each incomplete vehicle. Freightliner reserves the right to discontinue models or change specifications or designs at any time without notice and without incurring any obligation.

Introduction

This Cab and Chassis Modification Guide covers the following Freightliner vehicles:

CORONADO 122SD

Regulations such as those issued by the Federal Highway Administration or issued pursuant to the Occupational Safety and Health Act (OSHA), and/or state, provincial and local laws and regulations may require installation of additional equipment for the particular use intended for the vehicle. Nothing contained herein is to be construed as a representation that such equipment required for the particular use intended has been installed on the complete or incomplete vehicle.

If clarification regarding content of this publication or technical information is required, such as a DXF file for a specific VIN, please call the Customer Application Engineering Department listed at 503-745-4636.
