

Dishwasher Features

Your dishwasher cleans by spraying a mixture of hot water and detergent through the spray arms against soiled surfaces. Each cycle begins with a pre-drain. Next, the dishwasher fills with water covering the filter area. Water is then pumped through the filter and spray arms. Soil particles go down the drain as the water is pumped out and replaced with clean water. The number of water fills will vary with the cycle being used.

My Planet Mary Roach, 2013-04-04 From acclaimed New York Times best selling author Mary Roach comes the complete collection of her My Planet articles published in Reader's Digest. She was a hit columnist in the magazine and this book features the articles she wrote in that time. Insightful and hilarious, Mary explores the ins and outs of the modern world: marriage, friends, family, food, technology, customer service, dental floss, and ants. She leaves no element of the American experience unchecked for its inherent paradoxes, pleasures, and foibles. On Cleanliness: Ed has crud vision and I don't. I don't notice filth. Ed sees it everywhere. I am reasonably convinced that Ed can actually see bacteria. He confessed he didn't like me using his bathrobe because I'd wear it while sitting on the toilet. It's not like it goes in the water. I protested though if you counted the sash as part of the robe, this wasn't strictly true. On the Internet: The Internet is a boon for hypochondriacs like me. Right now, for instance, I'm feeling a shooting pain on the side of my neck. A Web search produces five matches; the first three for a condition called Arnold Chiari Malformation. While my husband Ed reads over my shoulder, I recite symptoms from the list: General clumsiness and general imbalance. I say as though announcing arrivals at the Marine Corps Ball: Difficulty driving, lack of taste, difficulty feeling feet on ground. Those aren't symptoms, says Ed. Those are your character flaws. On Fashion: My husband recently made me try on a bikini. A bikini is not so much a garment as a cloth-based reminder that your parts have been migrating all these years. My waist: I realized that day in the dressing room has completely disappeared beneath my rib cage, which now rests directly on my hips. I'm exhibiting continental drift in reverse. On Eating Healthy: So Ed and I were eating a lot of vegetables. Vegetables on pasta, vegetables on rice. This was extremely healthy until you got to the part where Ed and I are found in the kitchen at 10 p.m. feeding on Froot Loops and tubes of cookie dough.
