Slave Boys Gay Girls Anon and Annabelle Lacey, 2009-08-07 Small Ad Slavery man volunteers as slave of gay Master for weekend but finds over just a few days his life is wound up he s been marketed on internet sold on auction block reduced to where he admits I am a slave a slut a whore a dog less than all these loaned out to strangers I own nothing I am property of my Master shaven all over naked in chains only there to serve 4 tales of transformation of boys into skirts to serve men Screw Me tough to Master s eager bitch in prison Silver Spoon heir to business made to be big baby office girl maid at home Toughie To Fluffy losing a fight leads to being taken as winner s girlfriend Auntie s maid and Annabelle s Schooldays weakling boy dressed by sister forced to wear girls underwear to school bullied by boys made to go to school as a girl be a boy s girlfriend The Iron Jack a very brutal apparatus and method of training slave boys to become lady boys for their Masters

The Sugar Masters Richard Follett, 2007-02-01 Focusing on the master slave relationship in Louisiana s antebellum sugarcane country The Sugar Masters explores how a modern capitalist mind set among planters meshed with old style paternalistic attitudes to create one of the South s most insidiously oppressive labor systems As author Richard Follett vividly demonstrates the agricultural paradise of Louisiana s thriving sugarcane fields came at an unconscionable cost to slaves Thanks to technological and business innovations sugar planters stood as models of capitalist entrepreneurship by midcentury But above all labor management was the secret to their impressive success Follett explains how in exchange for increased productivity and efficiency they offered their slaves a range of incentives such as greater autonomy improved accommodations and even financial remuneration These material gains however were only short term According to Follett many of Louisiana s sugar elite presented their incentives with a facade of paternal reciprocity that seemingly bound the slaves interests to the apparent goodwill of the masters but in fact the owners sought to control every aspect of the slaves s lives from reproduction to discretionary income Slaves responded to this display of paternalism by trying to enhance their rights under bondage but the constant bargaining process invariably led to compromises on their part and the grueling production pace never relented The only respite from their masters demands lay in fashioning their own society including outlets for religion leisure and trade Until recently scholars have viewed planters as either paternalistic lords who eschewed marketplace values or as entrepreneurs driven to business success Follett offers a new view of the sugar masters as embracing both the capitalist market and a social ideology based on hierarchy honor and paternalism His stunning synthesis of empirical research demographics study and social and cultural history sets a new standard for this subject

Becoming a Slave Jack Rinella, 2005 Becoming a Slave is an authoritative and well documented book on the process of finding and submitting to a dominant Beginning with a description of terms and the characteristics to be found in a master and in a slave the book continues with how one realizes and understands their own desire to submit and serve proceeds to the process of advertising searching meeting and interviewing prospective masters and ends with a great deal of practical advice on submitting serving

and satisfying a dominant in a healthy and practical way **Gay and Lesbian Politics** Mark Blasius,1994 An active participant in and theorist of the gay and lesbian movement Mark Blasius contends that being gay or lesbian is by definition political By extension the phenomenon of a movement founded on collective identity is a quintessential part of American politics The continually rising public consciousness of the needs and interest of gays and lesbians provides Blasius with a vehicle for showing how a particular aspect of human life comes to assume political dimensions Upon this premise he analyzes the process of how power is exercised through sexuality and traces the historical conditions that have made possible a gay and lesbian politics Drawing on works of political philosophy social science including Foucault and gay and lesbian studies Blasius explores the invention of a gay and lesbian ethos through which participation even for apolitical gays and lesbians goes beyond a shared culture and perspective It is a way of life more encompassing than either sexual orientation or lifestyle alone Though he acknowledges and reflects upon the divergent range of gay and lesbian experiences Blasius provides a framework based on theories of power sexuality and ethics that elaborates the significance of the movement as a whole within contemporary society Author note Mark Blasius Associate Professor of Political Science at City University of New York LaGuardia is the co author of *We Are Everywhere An Historical Sourcebook in Gay and Lesbian Politics* *The Sexual Outlaw* John Rechy,1989 In this angry eloquent outcry against the oppression of homosexuals the author of the classic *City of Night* gives an explosive non fiction account with commentaries of three days and nights in the sexual underground of Los Angeles in the 1970s the battlefield of the sexual outlaw Using the language and techniques of the film Rechy deftly intercuts the despairing joyful and defiant confessions of a male hustler with the chorus of his own subversive reflections on sexual identity and sexual politics and with stark documentary reports our society directs against homosexuals the only minority against whose existence there are laws **The Deep Psychology of BDSM and Kink** Douglas

Thomas,2023-09-20 This fascinating volume investigates how the concept of soul is connected to BDSM and kink exploring the world of alternative sexualities through the psychology of C G Jung and James Hillman as readers are guided on a provocative and lively journey through darker aspects of the sexual imagination Contextualized both in sexual history and contemporary events the book unveils surprising points of correspondence between the tortured fantasy images of Jung's *The Red Book* and the modern world of BDSM and describes from Hillman's psychology a soul centered perspective that affirms the psychological value of fantasy images animating our human lives The book also considers the collective archetypal sources of historical trauma which have provided inspiration to some of the more disquieting aspects of BDSM and details how the deep psychology of BDSM creates a space in the modern world to ethically engage these practices Kinksters and BDSM practitioners will discover a psychological language that clarifies and affirms why these activities and relationships can be so intensely intimate pleasurable and transformative Psychotherapists and enthusiasts of Jungian and archetypal psychology will find fresh insights here that support the practice of BDSM as a form of individuation and a path for bringing

soul into the world **Can You Be Gay and Christian?** Michael L. Brown, 2014-05-06 The question of how the church deals with homosexuality has become the great moral and spiritual issue of this generation How do we respond to gay people who tell us how much they love the Lord and experience God's power How do we answer them when they say that the greatest law is the law of love and that love requires us to embrace them as they are What do we do with the argument that the Old Testament laws such as the prohibition against homosexuality and the dietary laws no longer apply Gay and Christian will provide solid biblical answers clearly written and based on sound scholarship in a compassionate way that causes the reader to wrestle with the issues and discover the biblical truth The book also provides practical guidelines for ministry and shows readers how they can resist the gay agenda while reaching out to their gay friends and family
