Evans-Romaine, Galina Shatalina, 2022-07-29 A Basic Course in Russian Sixth Edition strikes a true balance between communication and structure It takes a contemporary approach to language learning by focusing on the development of functional competence in the four skills listening speaking reading and writing as well as the expansion of cultural knowledge It also provides comprehensive explanations of Russian grammar along with the structural practice students need to build accuracy The sixth edition of this bestselling communicatively based text for beginning Russian has been updated by putting a greater focus on contemporary culture and simplified visual grammar explanations that will better engage students Books One and Two are a basic proficiency oriented complete course in Russian language designed to bring students to the ACTFL Intermediate range in speaking A2 B1 on the CEFR scale after 200-250 classroom contact hours or two years of academic study The program also covers the basic morphology of Russian declension case government conjugation The program has

been the bestseller as a college Russian textbook through five editions since 1993. It is designed to be the principal textbook for a two-year college sequence running at 3 to 5 hours a week, a total of 150 to 250 hours of face-to-face instruction at the college level. Double at the high school level, it is divided into two books: Book One and Book Two, of ten units each. The units are organized thematically, and each unit contains dialogs, texts, exercises, and other material designed to enable students to read, speak, and write about the topic as well as to understand simple conversations. The systematic grammar explanations and exercises enable students to develop a conceptual understanding and partial control of all basic Russian structures. This strong structural base enables students to accomplish the linguistic tasks and prepares them for further study of the language. Free audio and video resources are also available at www.routledge.com/9780367612801 including the Instructor Resources. Print and eTextbooks are accompanied by a Student Workbook and a rich companion website www.routledge.com/cw/golosa offering audio and video material and fully integrated exercises to use alongside the text. The companion website, powered by Lingco, is fully available for separate purchase from Lingco. Teachers can preview the new companion websites and create their courses. Please find a demo course at https://class.lingco.io/register?instructorCode=ROUTLEDGE2022&accessCode=INS_7fe92b6_language_ru. For resources on how to set up and customize your course, please visit the Help Center on the Lingco Language Labs website at www.lingco.io. It includes articles that explain how the platform works and what you can do with it. Students may join their teacher's course on Lingco and will be able to enter their access code or purchase access at any point in the 14-day grace period that begins on the first date of access. Students receive 12 months of access that begins after a free 14-day grace period. Multimedia audio and video for Golosa is found exclusively on the companion website.

SAM Answer Key for Golosa Richard M. Robin, Karen Evans-Romaine, Galina Shatalina, Joanna M. Robin, 2011-06-29. The Fifth edition of the best-selling communicatively based text for beginning Russian is enhanced by a greater focus on contemporary culture and simplified visual grammar explanations that will better engage your students. Golosa: A Basic Course in Russian 5e strikes a true balance between communication and structure. It takes a contemporary approach to language learning by focusing on the development of functional competence in the four skills: listening, speaking, reading, and writing, as well as the expansion of cultural knowledge. It also provides comprehensive explanations of Russian grammar along with the structural practice students need to build accuracy. Golosa is divided into two books: Book 1, Book 2, of ten units each. The units are organized thematically, and each unit contains dialogs, texts, exercises, and other material designed to enable students to read, speak, and write about the topic as well as to understand simple conversations. The systematic grammar explanations and exercises enable students to develop a conceptual understanding and partial control of all basic Russian structures. This strong structural base enables students to accomplish the linguistic tasks and prepares them for further study of the language.
