Those who did not operate in a leadership capacity within the previous Covenant but demonstrated potential still are now allocated to the Elite Warrior class. During the war with the Hurians, both strength and determined by the number of lost lives—brutally clear measures of triumph and victory, bunched in the class elites powerfully reinforced combat harnesses and used devastating explosive weapons like the Puls Puls Cannon. ELITE ZEALOT

COVENANT SAVING PLAN

Without question, the highest established of Courant classes, the Zealots now represent both military and religious authority within the alliance, having taken of men previously led by the Sun Shyams. Historically, Zealots have been known for their ruthlessness and cruelty, even within the context of the Courant. These characteristics are fueled only by their cunning ability to track and eliminate targets. Although these Sunghwyl operate in a command capacity, they have not been spared from combat on the front lines – not would they ever abandon such a notion. Zealots are still required to ferociously hunt down their opponents, using the pinnacle of spear-rip, back and weapons.
