Boje, 1989 With more than half the papers new to this book the fourth edition of Readings in Managerial Psychology represents a substantial revision of this popular text This edition focuses more than ever on the managing process both within and between organizations and such soft issues as managing creativity and imagination managers values and beliefs and organizational culture play a larger role than they have before Readings in Managerial Psychology is designed for managers in business and industry students of management public and university administrators and executives in other organizations The collection can be used independently or as a companion volume to Harold J Leavitt and Homa Bahrami's Managerial Psychology Managing Behavior in Organizations 5th edition 1988 also published by the University of Chicago Press

Reading and Writing for Civic Literacy Donald Lazere, 2017-07-05 Lazere's book is heaven sent and will provide a crucial link in the chain of understanding how conflicts are structured and most importantly how they can be rationally addressed a healthy antidote to the scepticism that has become so pervasive in academic life Alan Hausman Hunter College This innovative book addresses the need for college students to develop critical reading writing and thinking skills for self defence in the contentious arena of American civic rhetoric In a groundbreaking reconception of composition theory it presents a comprehensive critical perspective on American public discourse and practical methods for its analysis Exercises following the text sections and readings help students understand the ideological positions and rhetorical patterns that underlie opposing viewpoints in current controversies such as the growing inequality of wealth in America and its impact on the finances of college students as expressed in paired sets of readings from the political left and right Widely debated issues of whether objectivity is possible and whether there is a liberal or conservative bias in news and entertainment media as well as in education itself are foregrounded as topics for rhetorical analysis

Reading and Interpreting the Works of George Orwell Audrey Borus, 2016-12-15 As a young man Eric Blair better known as George Orwell traveled to Spain to fight in that country's civil war Although he was a British citizen he felt the need to fight for the rights of the oppressed in that country As the writer of the classics Animal Farm and Nineteen Eighty Four Orwell used his pen to comment on power and corruption in government and how they affect society This text takes an in depth look at Orwell's novels and essays in the context of his own fascinating life and times It analyzes his style themes and use of language while also asking readers to consider how this prescient author and his works are still relevant in today's world

A History of the Book in America David Paul Nord, Joan Shelley Rubin, Michael Schudson, 2015-12-01 The fifth volume of A History of the Book in America addresses the economic social and cultural shifts affecting print culture from World War II to the present During this period factors such as the expansion of government the growth of higher education the climate of the Cold War globalization and the development of multimedia and

digital technologies influenced the patterns of consolidation and diversification established earlier The thirty three contributors to the volume explore the evolution of the publishing industry and the business of bookselling The histories of government publishing law and policy the periodical press literary criticism and reading in settings such as schools libraries book clubs self help programs and collectors societies receive imaginative scrutiny as well The Enduring Book demonstrates that the corporate consolidations of the last half century have left space for the independent publisher that multiplicity continues to define American print culture and that even in the digital age the book endures Contributors David Abrahamson Northwestern University James L Baughman University of Wisconsin Madison Kenneth Cmiel d 2006 James Danky University of Wisconsin Madison Robert DeMaria Jr Vassar College Donald A Downs University of Wisconsin Madison Robert W Frase d 2003 Paul C Gutjahr Indiana University David D Hall Harvard Divinity School John B Hench American Antiquarian Society Patrick Henry New York City College of Technology Dan Lacy d 2001 Marshall Leaffer Indiana University Bruce Lewenstein Cornell University Elizabeth Long Rice University Beth Luey Arizona State University Tom McCarthy Beirut Lebanon Laura J Miller Brandeis University Priscilla Coit Murphy Chapel Hill N C David Paul Nord Indiana University Carol Polsgrove Indiana University David Reinking Clemson University Jane Rhodes Macalester College John V Richardson Jr University of California Los Angeles Joan Shelley Rubin University of Rochester Michael Schudson University of California San Diego and Columbia University Linda Scott University of Oxford Dan Simon Seven Stories Press Ilan Stavans Amherst College Harvey M Teres Syracuse University John B Thompson University of Cambridge Trysh Travis University of Florida Jonathan Zimmerman New York University
