Museum Exhibitions and Suspense Ariane Karbe, 2022-12-29 *Museum Exhibitions and Suspense* takes insights from screenwriting to revolutionise our understanding of exhibition curating Despite all genuine efforts to reach broader audiences museums persistently fear risking their credibility by becoming too popular Thus the enormous potential to learn from other storytelling forms more experienced in the field of entertainment remains essentially unexploited *Museum Exhibitions and Suspense* unlocks this creative potential A comparative in depth analysis of three classical Hollywood films and three cultural historical exhibitions demonstrates how dramatic suspense techniques can be applied to exhibitions These techniques must be adapted to the typical epic character of the exhibition medium By differentiating between mild and wild suspense the book provides a new understanding of the nature of suspense itself *Museum Exhibitions and Suspense* addresses academics and students in the fields of museum studies gallery studies and heritage studies interested in how exhibitions function and in how to achieve dramaturgical effects like suspense It also appeals to scholars and students within film studies who want to gain a deeper understanding of suspense It provides an important resource for curators and other museum practitioners and scriptwriters who intend to create stories with a wide audience appeal

Judging Exhibitions Beverly Serrell, 2017-07-12 Renowned museum consultant and researcher Beverly Serrell and a group of museum professionals from the Chicago area have developed a generalizable framework by which the quality of museum exhibitions can be judged from a visitor centered perspective Using criteria such as comfort engagement reinforcement and meaningfulness they have produced a useful tool for other museum professionals to better assess the effectiveness of museum exhibitions and thereby to improve their quality The downloadable resources include a brief video demonstrating

the Excellent Judges process and provides additional illustrations and information for the reader Tested in a dozen institutions by the research team this step by step approach to judging exhibitions will be of great value to museum directors exhibit developers and other museum professionals

How Museums Tell Stories Amelia Wong, 2025-03-27 *How Museums Tell Stories* explains how museums work as a form of media that narrates stories intentionally and unintentionally Story in life and in museums is a phenomenon that emerges as people perceive represent and interpret the qualities of tellability and narrativity in relation to stimuli Tellability is noteworthiness it attracts our attention Narrativity is a set of elements that enables us to perceive a story is being or could be told The book discusses how and why these qualities are so present in museums and how they enable physical institutions to tell stories in many forms at many scales in many styles of representation and to varying degrees Drawing on conceptions of narrative from literary theory film psychology and cognitive science Wong offers a shared vocabulary for understanding and analyzing how story manifests in museums at the level of objects collections exhibitions and space *How Museums Tell Stories* will be essential reading for researchers and students interested in how and why museums engage audiences as well as museum and cultural heritage practitioners seeking concepts and analytical tools for approaching and evaluating their work more critically and conscientiously

The Routledge Companion to Museum Ethics Janet Marstine, 2012-05-23 *Routledge Companion to Museum Ethics* is a theoretically informed reconceptualization of museum ethics discourse as a dynamic social practice central to the project of creating change in the museum Through twenty seven chapters by an international and interdisciplinary group of academics and practitioners it explores contemporary museum ethics as an opportunity for growth rather than a burden of compliance The volume represents diverse strands in museum activity from exhibitions to marketing as ethics is embedded in all areas of the museum sector What the contributions share is an understanding of the contingent nature of museum ethics in the twenty first century its relations with complex economic social political and technological forces and its fluid ever shifting sensibility The volume examines contemporary museum ethics through the prism of those disciplines and methods that have shaped it most It argues for a museum ethics discourse defined by social responsibility radical transparency and shared guardianship of heritage And it demonstrates the moral agency of museums the concept that museum ethics is more than the personal and professional ethics of individuals and concerns the capacity of institutions to generate self reflective and activist practice

Narrative Environments and Experience Design Tricia Austin, 2020-04-15 This book argues narrative people and place are inseparable and pursues the consequences of this insight through the design of narrative environments This is a new and distinct area of practice that weaves together and extends narrative theory spatial theory and design theory Examples of narrative spaces such as exhibitions brand experiences urban design and socially engaged participatory interventions in the public realm are explored to show how space acts as a medium of communication through a synthesis of materials structures and technologies and how particular social behaviours are reproduced or critiqued through spatial

narratives This book will be of interest to scholars in design studies urban studies architecture new materialism and design practitioners in the creative industries *International Perspectives on Museum Management* Darko Babic, 2024-07-25
