

## **Eleven Questions to Test Honesty and Integrity**

Ask yourself these questions to test your way of looking at integrity and honesty:

- Give me an example of when you paid a price to maintain integrity?
- Do you do what you say you are going to do?
- Do you keep secrets from your spouse? Are you secretive in general?
- If a waitress does not claim tips on their tax return is that ethical? If a large corporation avoided the tax in the same way is that ethical? Is working a cash job to avoid taxes or to garner some type of government payment ethical?
- If a coworker left early several times unbeknownst to the boss, would you cover for them? Would you cover for a coworker in general – leaving early, long lunch, taking home office supplies, etc.
- Do you speed? If someone says “no,” that would be very questionable in an interview.
- If you were over paid on your pay check would you speak up?
- Have you ever called in sick when you weren’t?
- Have you ever been in a situation at work where your honesty was tested?
- Have you ever been in a situation where you had to make something sound better than it was?
