

In the Krugman-Obstfeld model of international trade, it is assumed that both trading countries have monopolistic competition *and* increasing returns to scale.

- A. Why do they assume *both*?
- B. Is it possible to still get the results of their model (trade in variety) if one of those assumptions is relaxed? Speculate. Use a graph to answer.
- C. In Krugman's famous paper, demand curve for a monopolistically competitive firm is derived as follows:

$$P = \left(\bar{P} + \frac{1}{b \times n} \right) - \frac{1}{S \times b} Q$$

Please see the lecture for definitions of the terms above.

The graph below shows the case of two firms with high and low marginal costs. The graph compares the operating profits of these two firms.

These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading International Trade Krugman Obstfeld Answers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading International Trade Krugman Obstfeld Answers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download International Trade Krugman Obstfeld Answers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
