Invocation For Awards Ceremony:

A Good Kiss Marshall S. Ball, 2002-03-01 Each day has a purpose We make that purpose Marshall Stewart Ball Marshall Ball believes the key to happiness lies in opening our hearts to good God This simple but profound message comes from a singularly extraordinary messenger Fourteen year old Marshall has spent his life confined to a wheelchair He cannot speak write or walk and he does not have the strength to use a computer without assistance Yet he has transcended the limits of his body by communicating through a painstaking transcription process a process that since childhood has been his means of sharing his amazingly sophisticated and perceptive expressions on the topics of God love kindness and freedom These powerful writings have not only astonished and moved those closest to Marshall but touched millions in his bestseller *Kiss of God* In this powerful new collection of his poems letters and affirmations Marshall also includes answers to questions people have asked him With startling beauty and disarming simplicity he teaches us to appreciate our roles in life no matter how difficult they may be and to love and respect knowledge others and God Marshall's message of hope that true joy comes from accepting God's love is a gift to savor and share with our loved ones time and time again *Sanctified Blues* Mable John, David Ritz, 2007-12-18 Albertina Merci a talented R B singer toured with Ray Charles James Brown and Wilson Pickett until the fateful night her voice gave out in front of a sold out crowd Encouraged by her fans she offered a little speech in praise of Jesus instead of a song Her spontaneous words became the seed of *Sanctified Blues* a song that soon captured the hearts of millions and gave Albertina the financial security to follow her true calling as an evangelist sharing the Gospel with those in need of spiritual comfort *Sanctified Blues* is the story of Albertina's encounter with Maggie Clay the biracial beauty who is TV's reigning diva A sudden mystery surrounding Maggie has the entire country wondering Is Maggie having a nervous breakdown and if so why What caused it And who can save the star from self destruction *Sanctified Blues* introduces a heroine in the vein of Jessica Fletcher of *Murder She Wrote* and Precious Ramotswe head of The No 1 Ladies Detective Agency Her quiet but determined mission to solve spiritual mysteries and dilemmas will endear Albertina to both secular and Christian readers *My Heartfelt Passion* Jim Davidson, 2017-12-27 In modern American society the child who grows up without learning to read does not have a prayer when it comes to achieving true success in life Unfortunately this is the case for several million of our nation's children According to an April 2017 study by the U S Department of Education and the National Institute of Literacy 32 million adults in the U S can't read Part of the reason is that 61% of low income families have no books at all in the home for their pre school children to read a crucial time when reading development takes place There is hope and it can be found in *My Heartfelt Passion Saving Our Nation One Child at a Time* written by Jim Davidson nationally syndicated columnist who founded a unique literacy project called Bookcase for Every Child in his home town of Conway Arkansas This project has now spread to five other states They have given over 2 000 personalized bookcases and a starter set of books to pre school children being reared in low income families In the author's easy conversational style he

takes us to the day he was born and moves forward to share the people events and experiences that led him to develop a heartfelt passion for underprivileged children He covers his personal history how some children are born with advantages while others are born with unspeakable disadvantages After reading this book and lays it aside anyone will know the ins and outs of organizing and starting a bookcase project in their own community that is sustainable and will make a difference Without a doubt this project can be replicated in every community in America and over time can become a tool to change the lives of preschool children They will then have enthusiasm and hope that come only to literate people who can function as contributing members of society
