Trends in Policing Dilip K. Das, Otwin Marenin, 2009-02-17 Police leaders possess a plethora of rich experiences and practical and theoretical knowledge that provides fascinating insights into the current state of policing around the world. While observers' opinions of ongoing developments in policing are well known, it is rare to get an insider's glimpse of how police leaders themselves assess these advances. The Advocate, 2001-04-10 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine. Juvenile Justice John A. Winterdyk, 2014-10-14 Juvenile justice has been and remains a topical issue at national and international levels. There are various standards and guidelines for administration, but six major models characterize juvenile justice systems worldwide: participatory, welfare, corporatism, modified justice, justice and crime control, and Juvenile Justice International Perspectives. Models and Trends presents contributions by authors from different countries in all five continents, employing these six models. The book begins with a comprehensive overview of the topic and the various international standards and guidelines designed to inform juvenile justice practices. This introduction is followed by chapters on individual countries, covered independently by resident experts, allowing readers to appreciate a range of comparisons and to critically reflect on the relative merits of the different models. Topics presented in each chapter include: The country's history of juvenile justice; The nature and status of delinquency; Current legislation on juvenile justice; How well the legislation complies with the Standard Minimum Rules of the Administration of Juvenile Justice as defined by the United Nations; The type of juvenile justice model followed; Age limits for male and female juvenile offenders; Legal and social issues confronting juvenile offenders; Current

theoretical biases used to explain and justify response to delinquency Future issues challenges and or initiatives Text boxes supply current and relevant examples to contextualize key issues and themes Each chapter features discussion questions and helpful web links to facilitate further research Presented in an unbiased manner the book is a consolidated yet comprehensive overview of juvenile justice models and practices worldwide It enables readers to compare the relative strengths and weaknesses of different juvenile justice models systems and to evaluate all countries in light of the larger international phenomena of delinquency Handbook on Prisons and Jails Danielle Rudes, Gaylene Armstrong, Kimberly Kras, TaLisa Carter, 2023-09-26 The Handbook on Prisons and Jails brings together some of the brightest scholars and thinkers in the field to offer a wide range of perspectives for understanding the experiences of persons incarcerated or working volunteering within carceral institutions The assembled chapters consider what is known in the area while identifying emerging areas for theoretical empirical and policy work The volume includes contributions on numerous topics and areas related to penal control containment living and or working in carceral institutions and addresses methodological considerations for doing research with individuals incarcerated in jail or prison This collection is essential reading for scholars and students seeking an up to date guide to contemporary issues facing corrections and sentencing It also provides practitioners with valuable resources for developing socially informed policies and practices *Political Terrorism* A.J. Jongman, 2017-07-28 While there is no easy way to define terrorism it may generally be viewed as a method of violence in which civilians are targeted with the objective of forcing a perceived enemy into submission by creating fear demoralization and political friction in the population under attack At one time a marginal field of study in the social sciences terrorism is now very much in center stage The 1970s terrorist attacks by the PLO the Provisional Irish Republican Army the Popular Front for the Liberation of Palestine the Japanese Red Army the Unabomber Aum Shinrikyo Timothy McVeigh the World Trade Center attacks the assault on a school in Russia and suicide bombers have all made the term terrorism an all too common part of our vocabulary This edition of Political Terrorism was originally published in the 1980s well before some of the horrific events noted above This monumental collection of definitions conceptual frameworks paradigmatic formulations and bibliographic sources is being reissued in paperback now as a resource for the expanding community of researchers on the subject of terrorism This is a carefully constructed guide to one of the most urgent issues of the world today When the first edition was originally published Choice noted This extremely useful reference tool should be part of any serious social science collection Chronicles of Culture called it a tremendously comprehensive book about a subject that any who have anything to lose from property to liberty life to limbs should be forewarned against Popular Mechanics, 1980-01 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it s practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle **New York Review of the Telegraph and Telephone and Electrical**
