**Learning Law and Travelling Europe: Study Journeys and the Developing Swedish Legal Profession, c. 1630-1800** Marianne Vasara-Aaltonen, 2020-05-18 In Learning Law and Travelling Europe Marianne Vasara Aaltonen offers an exciting account of the study journeys of Swedish lawyers in the early modern period Based on archival sources and biographical information the study delves into the backgrounds of the law students their travels through Europe and their future careers In seventeenth century Sweden the state building process was at its height and trained officials were desperately needed for the administration and judiciary The book shows convincingly that the studies abroad of future lawyers were intimately linked to this process whereas in the eighteenth century study journeys became less important By examining the development of the Swedish early modern legal profession the book also

represents an important contribution to comparative legal history      *History of Architectural Conservation* Jukka Jokilehto, 2007-06-07 A History of Architectural Conservation expands knowledge about the conservation of ancient monuments works of art and historic buildings It includes the origins of the interest in conservation within the European context and the development of the concepts from Antiquity and the Renaissance to the present day Jokilehto illustrates how this development has influenced international collaboration in the protection and conservation of cultural heritage and how it has formed the principal concepts and approach to conservation and restoration in today's multi cultural society This book is based on archival research of original documents and the study of key restoration examples in countries that have influenced the international conservation movement Accessible and of great interest to students and the general public it includes conservation trends in Europe the USA India Iran and Japan      **Approaches to Teaching Milton's Paradise Lost** Peter C. Herman, 2012-12-01 This second edition of Approaches to Teaching Milton's Paradise Lost addresses Milton in the light of the digital age new critical approaches to his poem and his continued presence in contemporary culture It aims to help instructors enliven the teaching of Paradise Lost and address the challenges presented to students by the poem the early modern syntax and vocabulary the political and theological contexts and the abounding classical references The first part of the volume Materials evaluates the many available editions of the poem points to relevant reference works recommends additional reading and outlines useful audiovisual and online aids for teaching Milton's epic poem The essays in the second part Approaches are grouped by several themes literary and historical contexts characters poetics critical approaches classrooms and performance The essays cover epic conventions and literary and biblical allusions new approaches such as ecocriticism and masculinity studies and reading Milton on the Web among other topics      **Sperone Speroni and the Debate over Sophistry in the Italian Renaissance** Teodoro Katinis, 2017-11-01 In Sperone Speroni and the Debate over Sophistry in the Italian Renaissance Teodoro Katinis mines a number of little or unstudied primary sources and offers the first book on the rebirth of ancient sophists in the Italian literature of the fifteenth and sixteenth centuries from Leonardo Bruni to Jacopo Mazzoni with a focus on the Italian writer and philosopher Sperone Speroni 1500-1588 Katinis convincingly argues that Speroni is a unique case of an early modern thinker who explicitly rejected Plato's demonization and defended the public role of the sophistic rhetoric which enhanced the debate over the sophistic arts and scepticism in a variety of fields and anticipated some of the most revolutionary modern thoughts      *Italy* Roland Sarti, 2009 Exploring more than 500 years of the country's history Italy provides readers interested in modern Italy or European history with a greater understanding of Italy's past from the Renaissance to the present This guide presents the milestones in Italy's history in an interesting and readable way      *Studies on Authorship in Historical Keyboard Music* Andrew Woolley, 2023-10-31 Authorship is a pertinent issue for historical musicology and musicians more widely and some controversies concerned with major figures have even reached wider consciousness Scholars have clarified some of the issues at stake in recent decades such as the places of

borrowing and arranging in the creative process and the wider cultural significance of these practices The discovery of new sources and methodologies has also opened up opportunities for reassessing specific authorship problems Drawing upon this wider musicological literature as well as insights from other disciplines such as intellectual history and book history this book aims to build on what has already been achieved by focussing on keyboard music The nine chapters cover case studies of authorship problems the socioeconomic conditions of music publishing the contributions of composers arrangers copyists and music publishers in creating notated keyboard compositions the functions of attribution and ascription and how the contexts in which notated pieces were used affected concepts of authorship at different times and places     Inigo Jones and the European Classicist Tradition Giles Worsley,2007 An examination of Inigo Jones s work within the context of the European early seventeenth century classicist movement Includes a broad survey of contemporary architecture in Italy Germany France and the Netherlands as well as a close examination of Jones s buildings     *The Roman Forum* David Watkin,2012-06-01 One of the most visited sites in Italy the Roman Forum is also one of the best known wonders of the Roman world Though a highpoint on the tourist route around Rome for many visitors the site can be a baffling disappointment Several of the monuments turn out to be nineteenth or twentieth century reconstructions while the rubble and the holes made by archaeologists have an unclear relationship to the standing remains and to all but the most skilled Romanists the Forum is an unfortunate mess David Watkin sheds completely new light on the Forum examining the roles of the ancient remains while revealing what exactly the standing structures embody including the rarely studied medieval Renaissance and Baroque churches as well as the nearby monuments that have important histories of their own Watkin asks the reader to look through the veneer of archaeology to rediscover the site as it was famous for centuries This involves offering a remarkable and engaging new vision of a well visited if often misunderstood wonder It will be enjoyed by readers at home and serve as a guide in the Forum
