Proportionality and Facts in Constitutional Adjudication Anne Carter, 2022-01-27 This book considers the relationship

between proportionality and facts in constitutional adjudication Analysing where facts arise within each of the three stages of the structured proportionality test suitability necessity and balancing it considers the nature of these facts vis vis the facts that arise in the course of ordinary litigation The book s central focus is on how proportionality has been applied by courts in practice and it draws on the comparative experience of four jurisdictions across a range of legal systems The central case study of the book is Australia where the embryonic and contested nature of proportionality means it provides an illuminating study of how facts can inform the framing of constitutional tests The rich proportionality jurisprudence from Germany Canada and South Africa is used to contextualise the approach of the High Court of Australia and to identify future directions for proportionality in Australia at a time when the doctrine is in its formative stages The book has three broad aims First it considers the role of facts within proportionality reasoning Second it offers procedural insights into fact finding in constitutional litigation Third the book s analysis of the dynamic Australian case law on proportionality means it also serves to clarify the nature and status of proportionality in Australia at a critical moment Since the 2015 decision of *McCloy v New South Wales* where four justices supported the introduction of a structured three part test of proportionality the Court has continued to disagree about the utility of such a test These developments mean that this book with its doctrinal and comparative approach is particularly timely

The Arrest Conventions Paul Myburgh, 2019-07-25 The Arrest Conventions signed in 1952 and 1999 play a fundamental role in the worldwide enforcement of maritime claims Arrest of ships is one of the most distinctive features of international maritime law It provides a powerful efficient and effective means of enforcing maritime claims in rem obtaining sufficient asset security and preserving property pending substantive proceedings Ship arrest is however also a draconian power that cuts across property rights and can cause considerable commercial harm to shipowning interests This book provides thematic and comparative analysis from leading international commentators on the most significant legal and policy issues including practical problems arising from the Arrest Convention texts as well as the direct implementation or indirect translation of the Arrest Conventions into domestic legal systems It critically analyses the political and historical development of the Conventions explores the key concepts underpinning the Arrest Convention frameworks and considers the future of ship arrest

Legitimate Expectations in the Common Law World Matthew Groves, Greg Weeks, 2017-01-12 The recognition and enforcement of legitimate expectations by courts has been a striking feature of English law since *R v North and East Devon Health Authority ex parte Coughlan* 2001 3 QB 213 Although the substantive form of legitimate expectation adopted in *Coughlan* was quickly accepted by English courts and received a generally favourable response from public law scholars the doctrine of that case has largely been rejected in other common law jurisdictions The central principles of *Coughlan* have been rejected by courts in common law jurisdictions outside the UK for a range of reasons such as incompatibility with local constitutional doctrine or because they mark an undesirable drift towards merits review The sceptical and critical reception to *Coughlan* outside England is a striking contrast to the reception the case received within the UK This book provides a detailed scholarly analysis of these issues and considers the doctrine of legitimate expectations both in England and elsewhere in the common law world
