

Julius Caesar Act II Reading Guide

Quote	Who said it and to Whom?	What it Means (Significance)
But 'tis a common proof that lowliness is young ambition's ladder, Where to the climber upward turns his face. But when he once attains the upmost round, He then unto the ladder turns his back, Looks in the clouds, scorning the base degrees By which he did ascend. So Caesar may, then, lest he may, prevent, And since the quarrel Will bear no color for the thing he is, Fashion it thus: that what he is, augmented, Would run to these and these extremities, And therefore think him as a serpent's egg— Which, hatched, would as his kind grow mischievous— And kill him in the shell.		
Act 2, Scene 1		
Good gentlemen, look fresh and merrily. Let not our looks put on our purposes: But bear it as our Roman actors do, With unfired spirits and formal constancy. And so good-morrow to you every one.		

Includes questions for each scene, quotes, reflection questions, predictions & an answer key!
